* I've lived too long
to be afraid of
something like you.

DRESS UP: NO MERCY RUN

A while after reaching the surface..

You were able to collect costumes (...?) that resemble the fashion choices of your **BEST FRIENDS** !

They seem to have a layer of dust on them.. but **you** probably don't mind, right?
In fact...

You're probably used to it.

YOU WILL NEED:

- ♥ something to cut with (scissors, X-ACTO knives...)
- ♥ some adhesive (glue, tape, etc.)
- ♥ **DETERMINATION!**
- ... oh, and some *fingers*, too.

INSTRUCTIONS

- ♥ Cut along the solid lines.
- ♥ Fold the white tabs back, and use the adhesive of your choice to secure your costume to the **FALLEN CHILD**.

Have FUN!

KEEP CUTTING!

FOLD HERE!

STAMP (cut out, too)

SNAIL FAN'S ROBE

YOUR BEST FRIEND'S CROWN

FLUFFYBUN'S

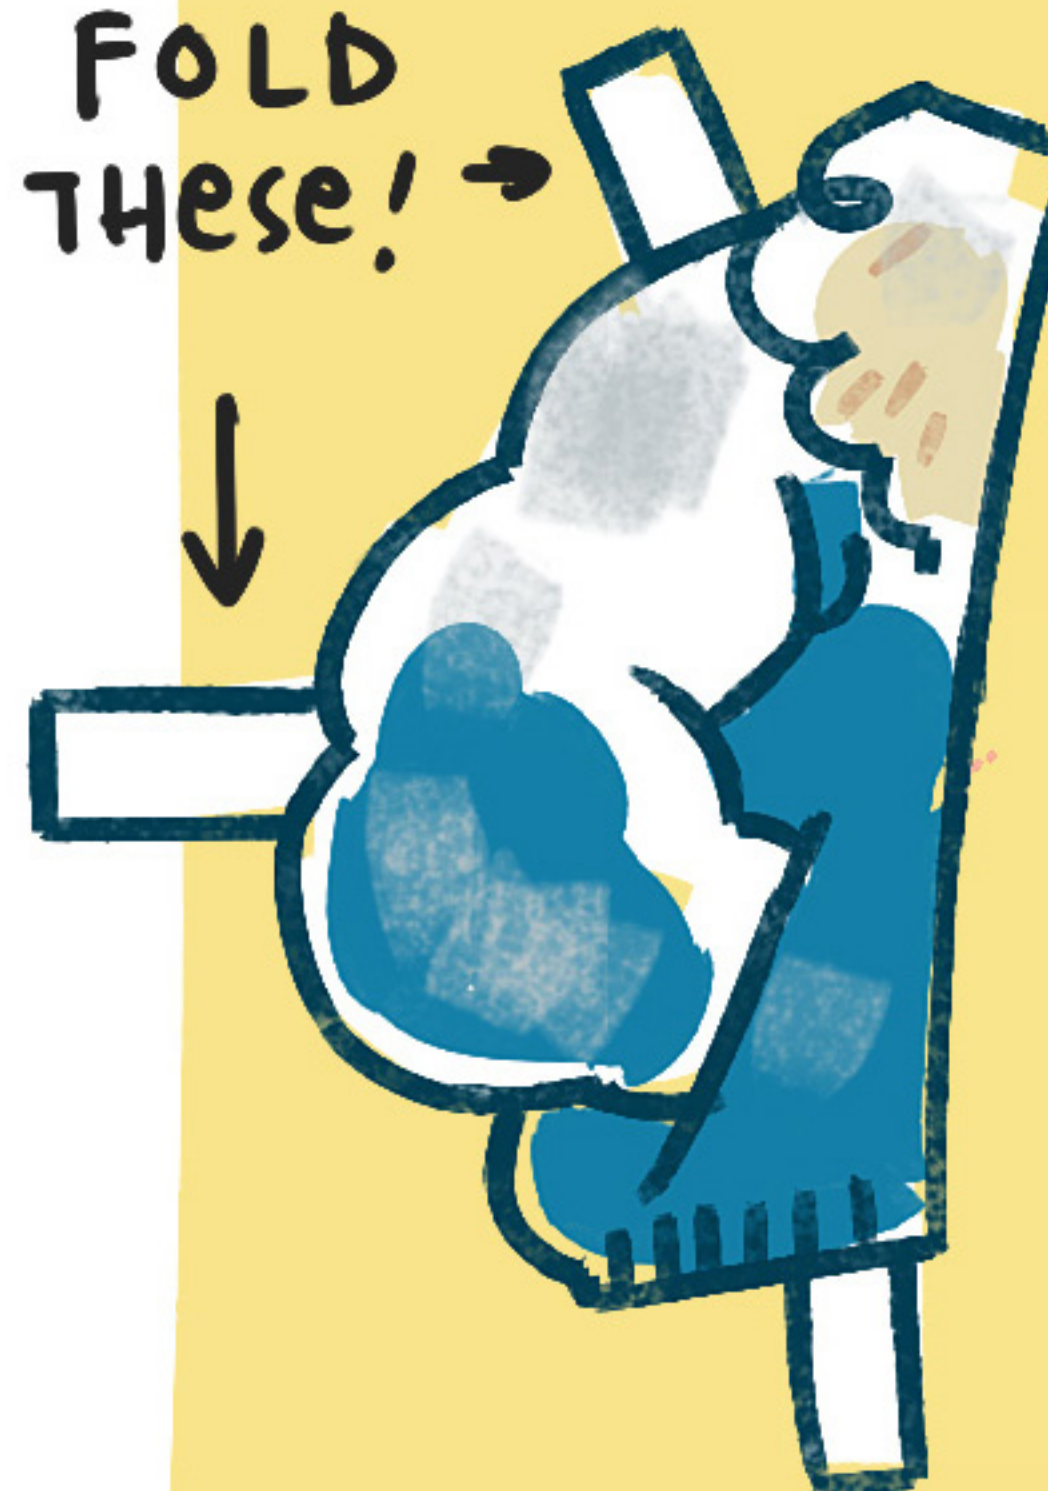

CROWN

the TRUE HERO'S ARMOR

FOLD THESE!

spidertails (get it???)

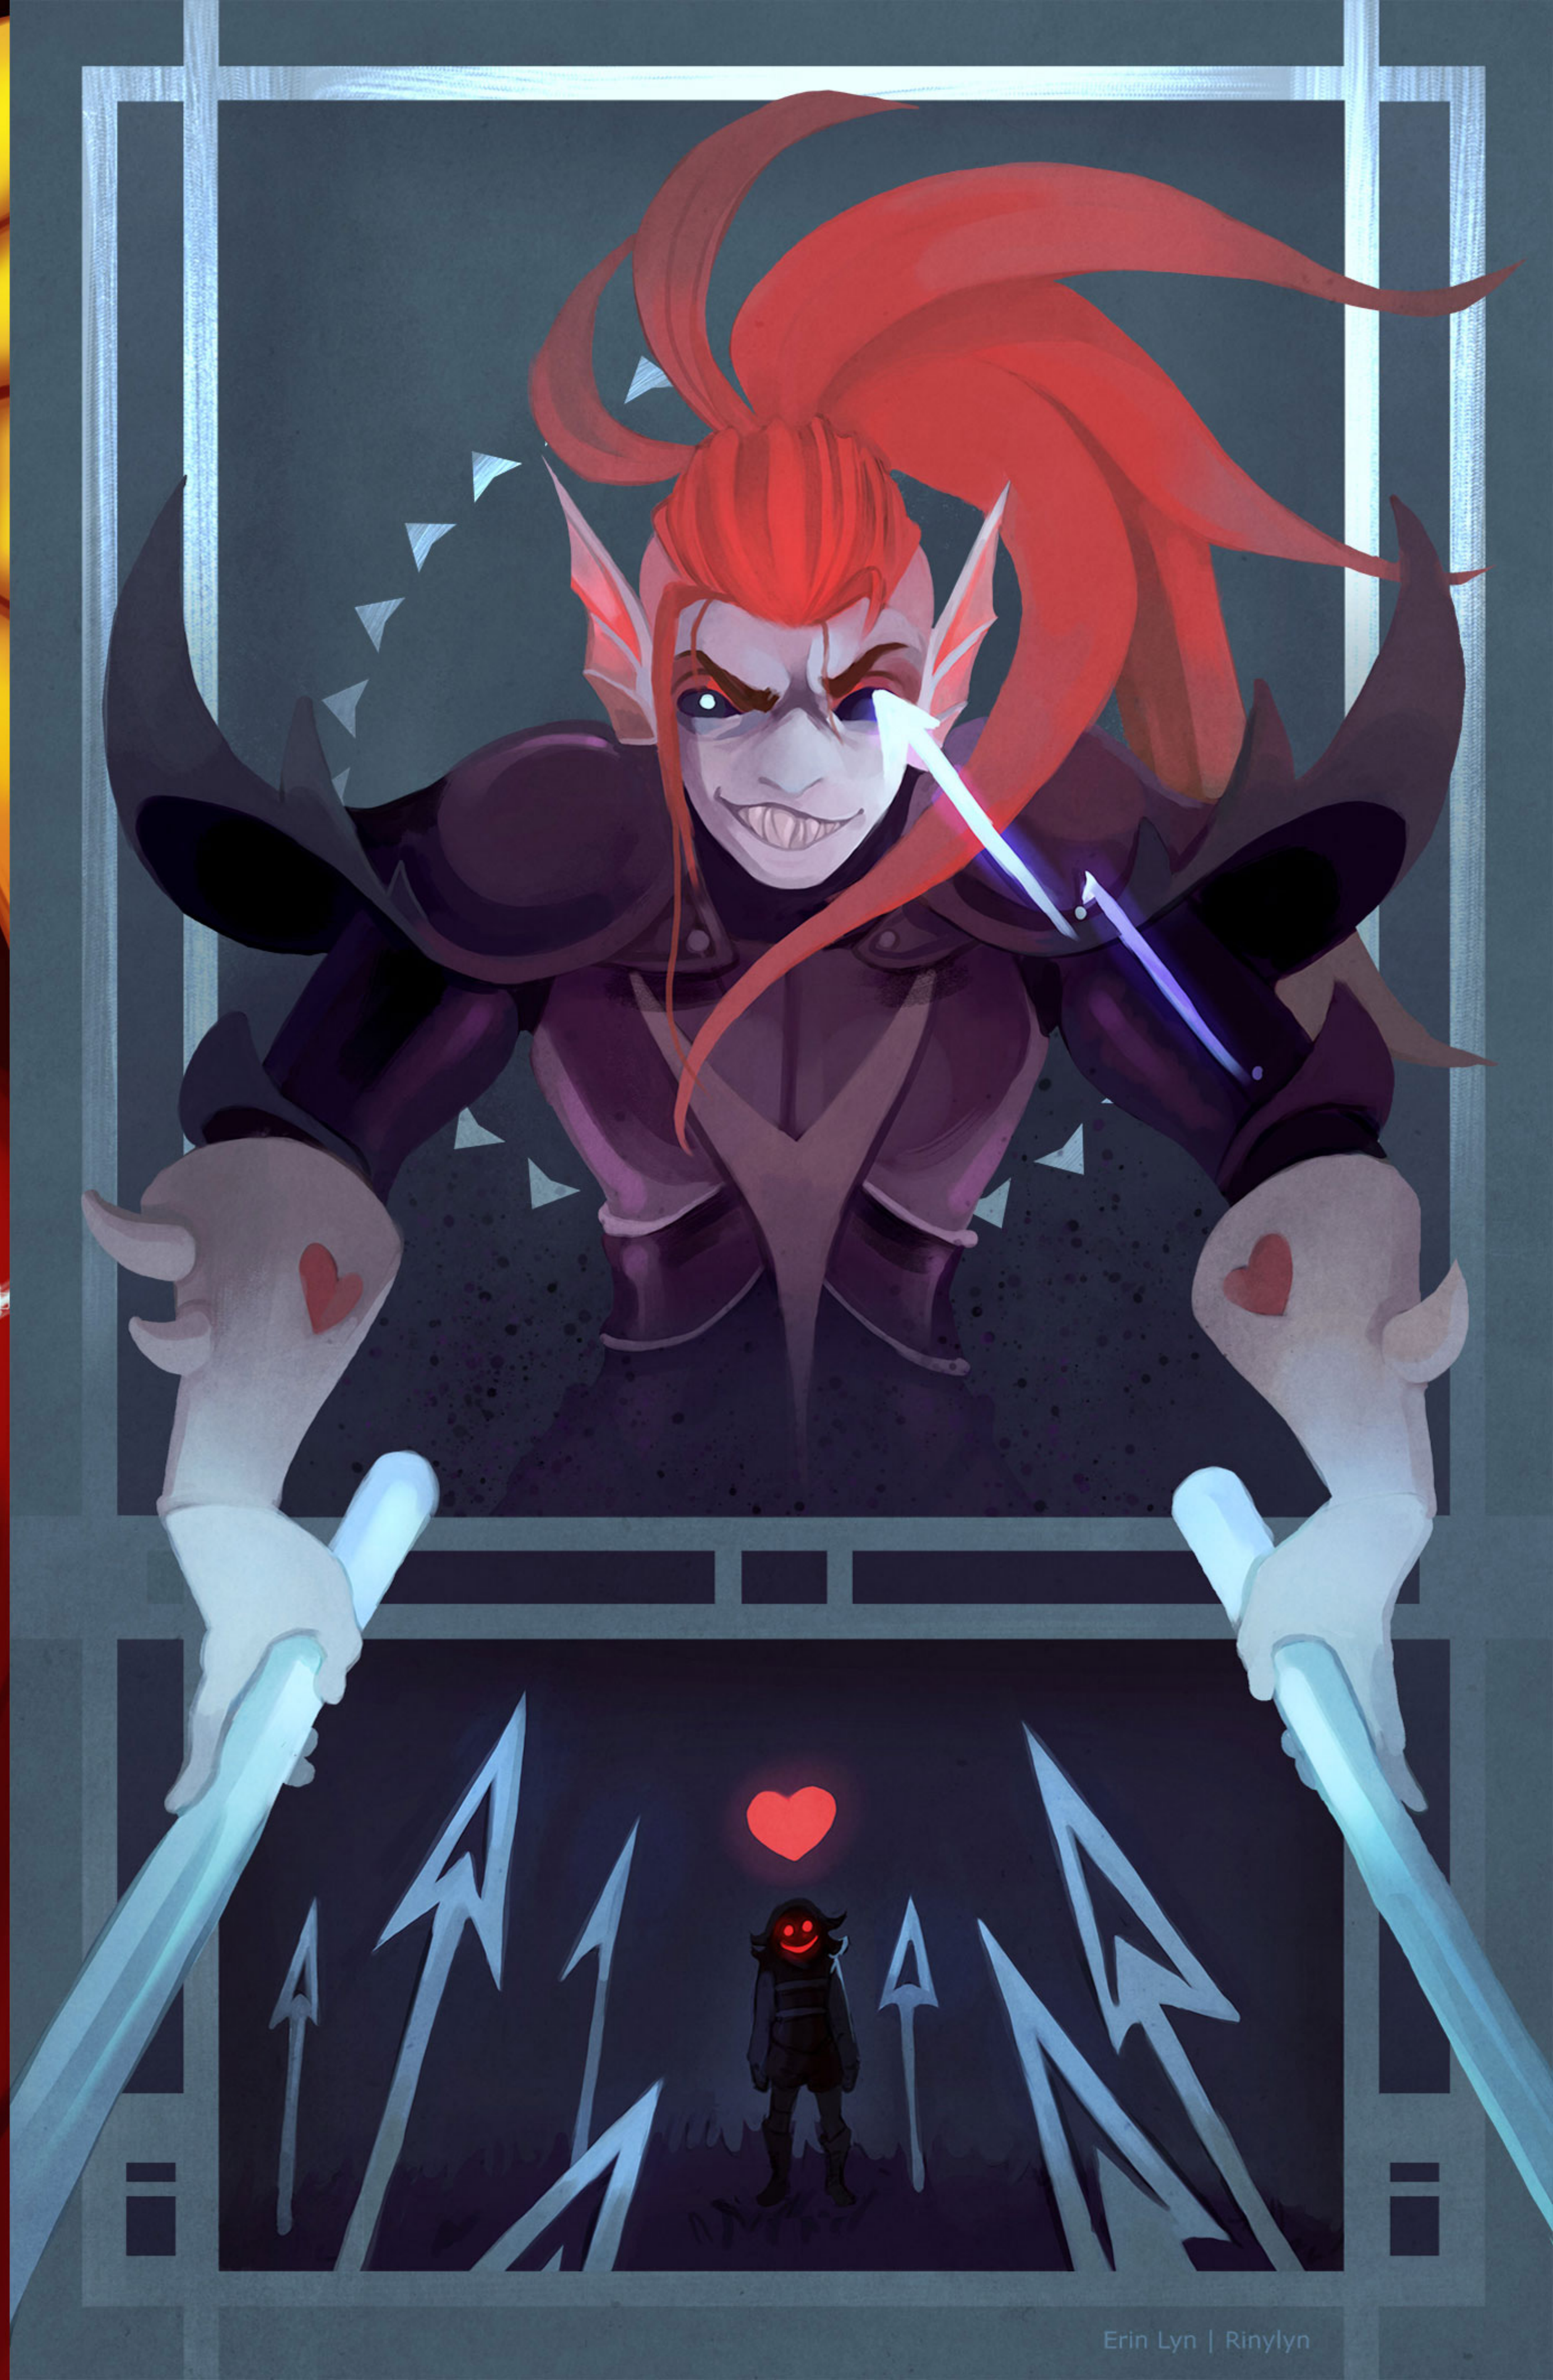

the comedian's jacket.

the ROYAL GUARD'S scarf

Glamour boots.

MDA.

THE ★ STAR

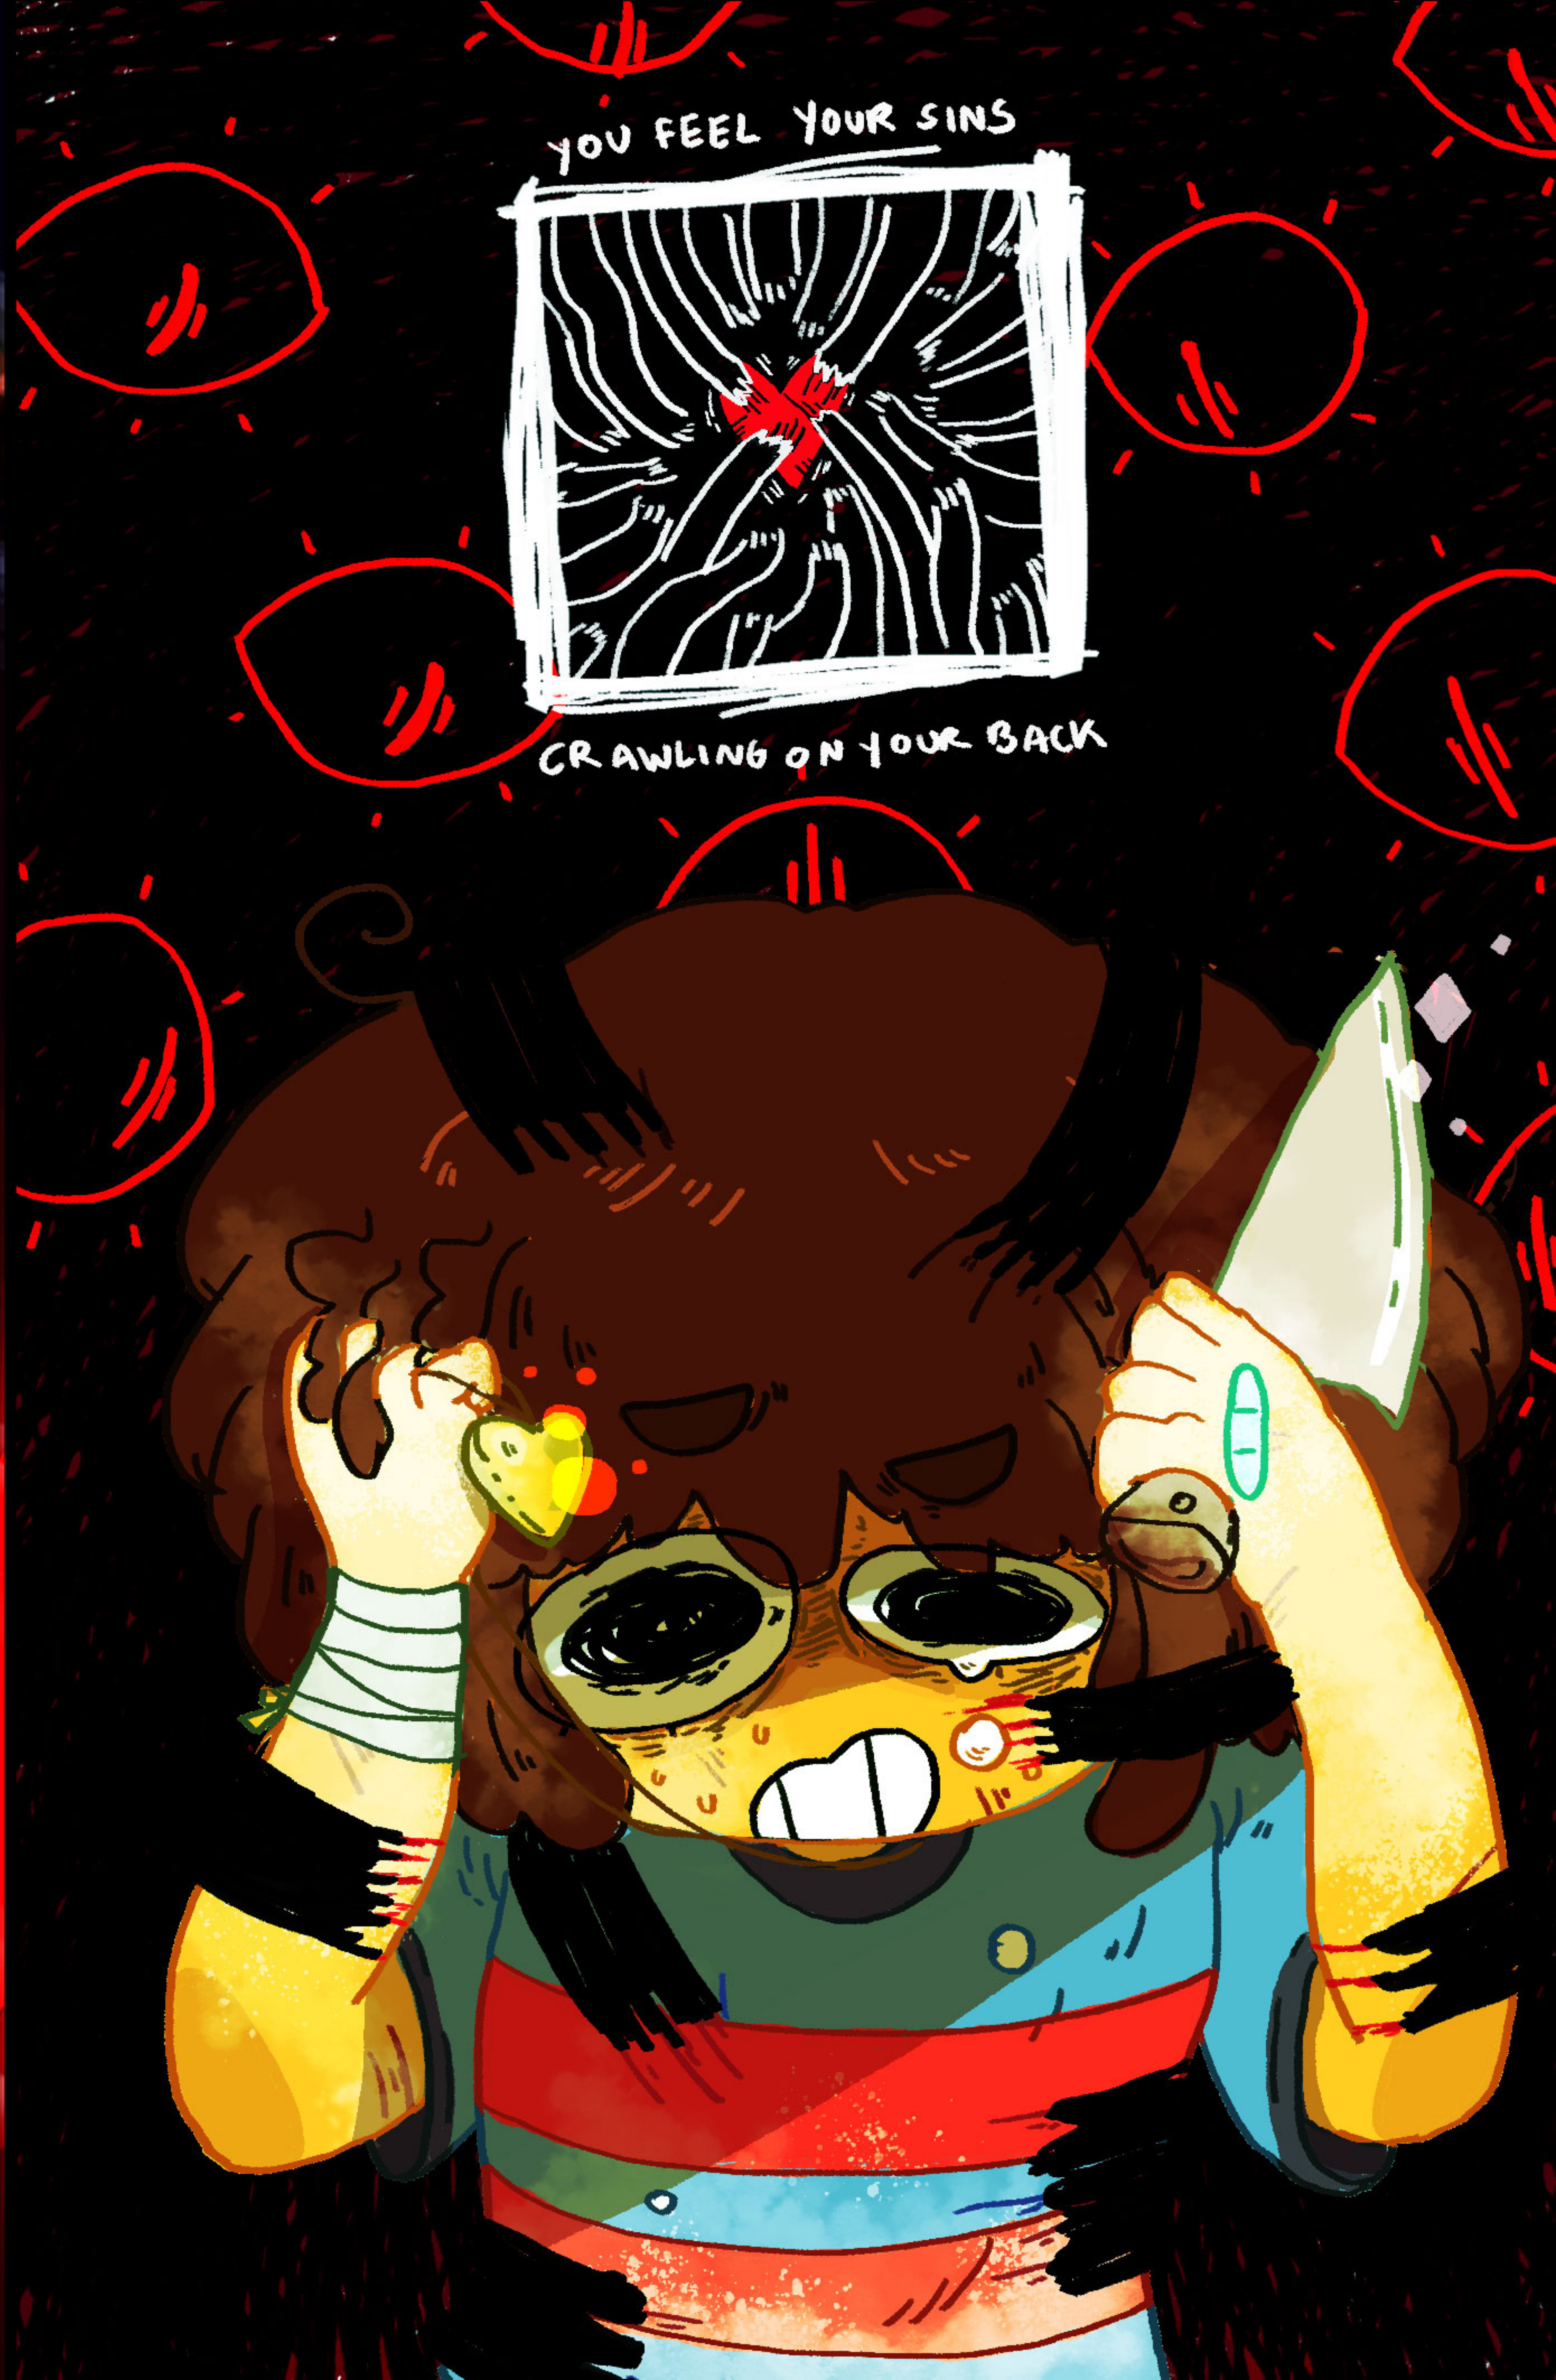

Let's finish what we started.

It's coming

@G0966

I've evacuated everyone to safety.

...by that, I mean 'everyone' who'd survived, 'everyone' who I could still reach.

...everyone but 'them'.

Undyne, Mettaton...

The two I've always wanted to protect...

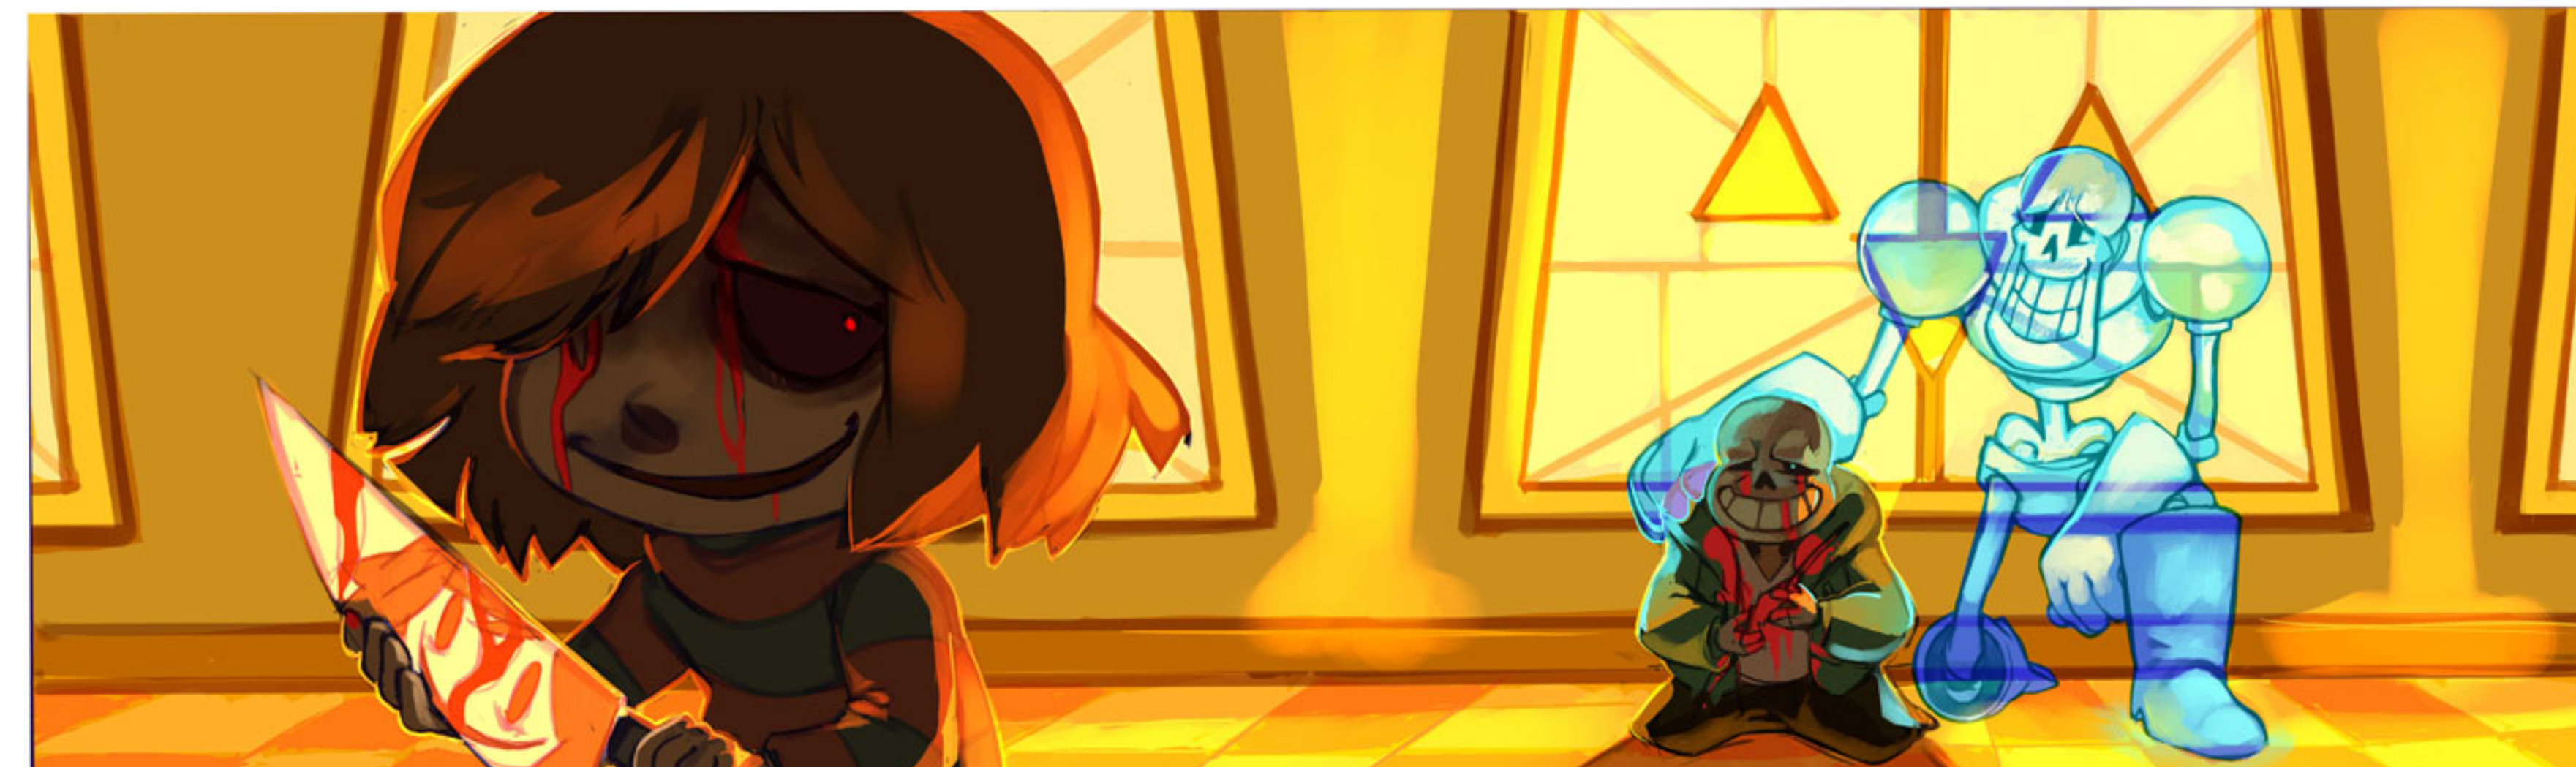

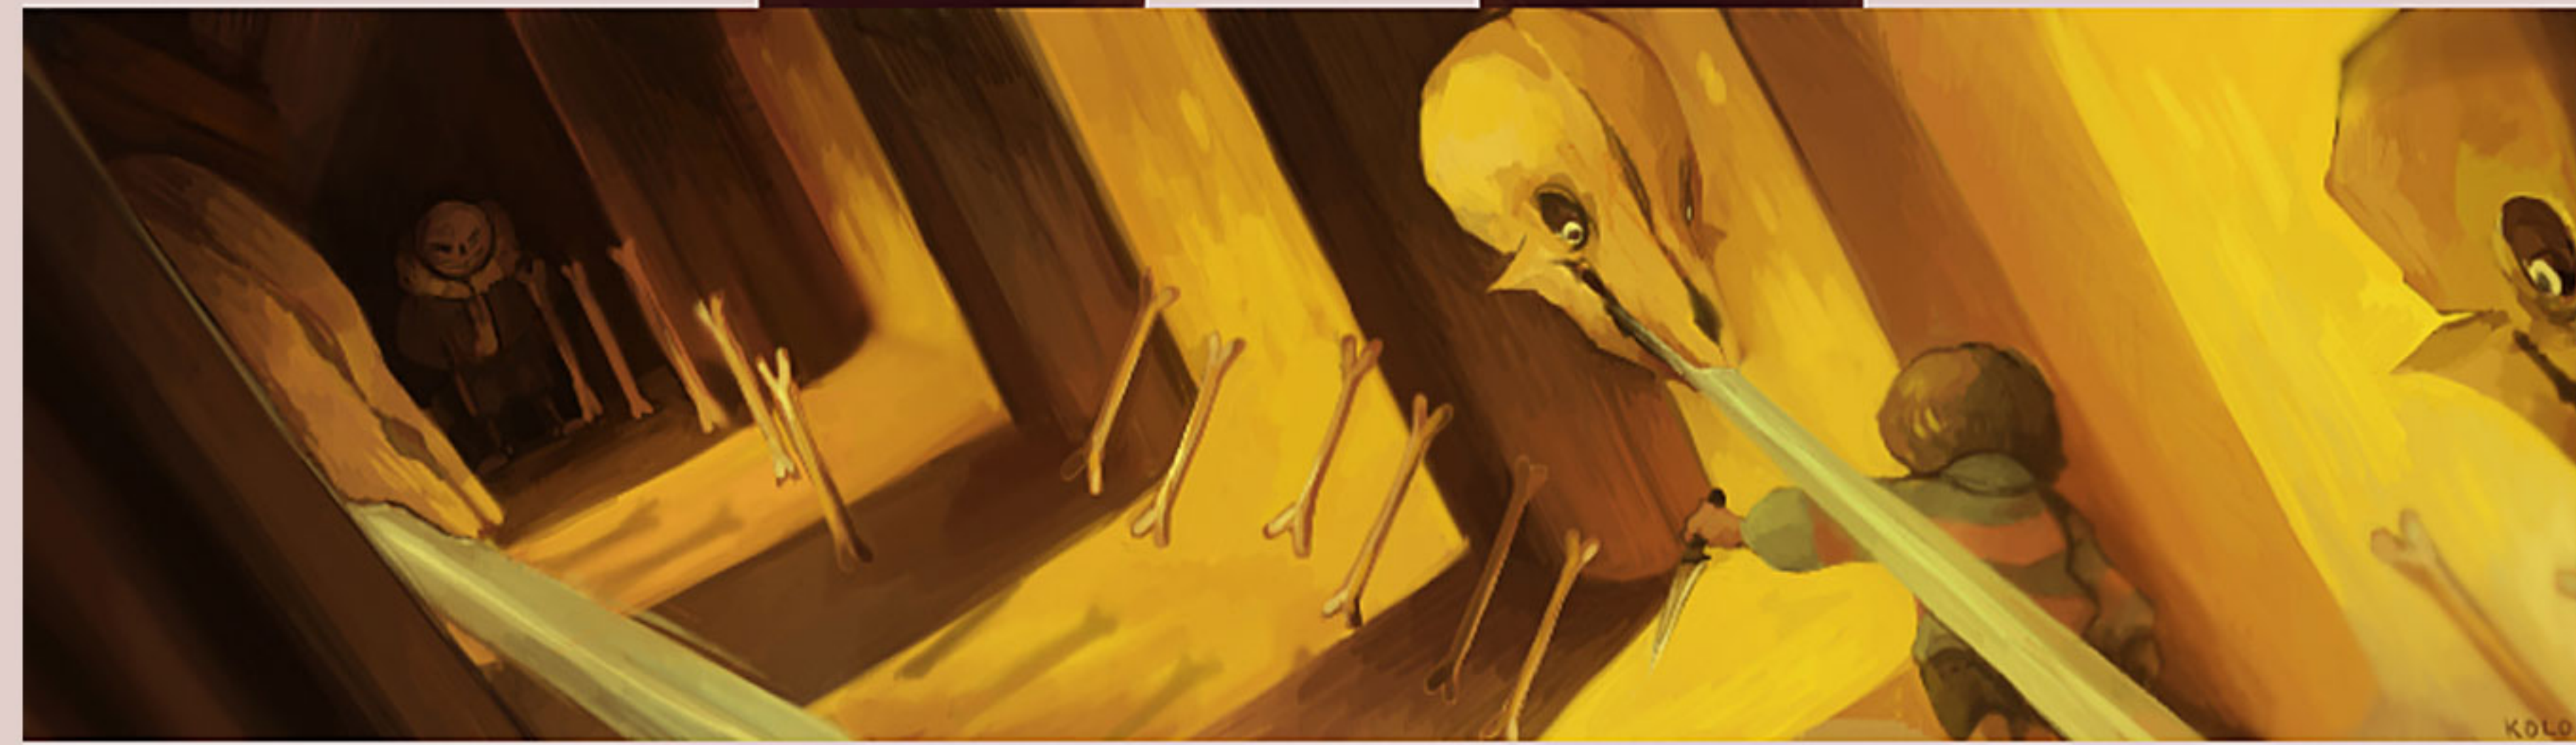

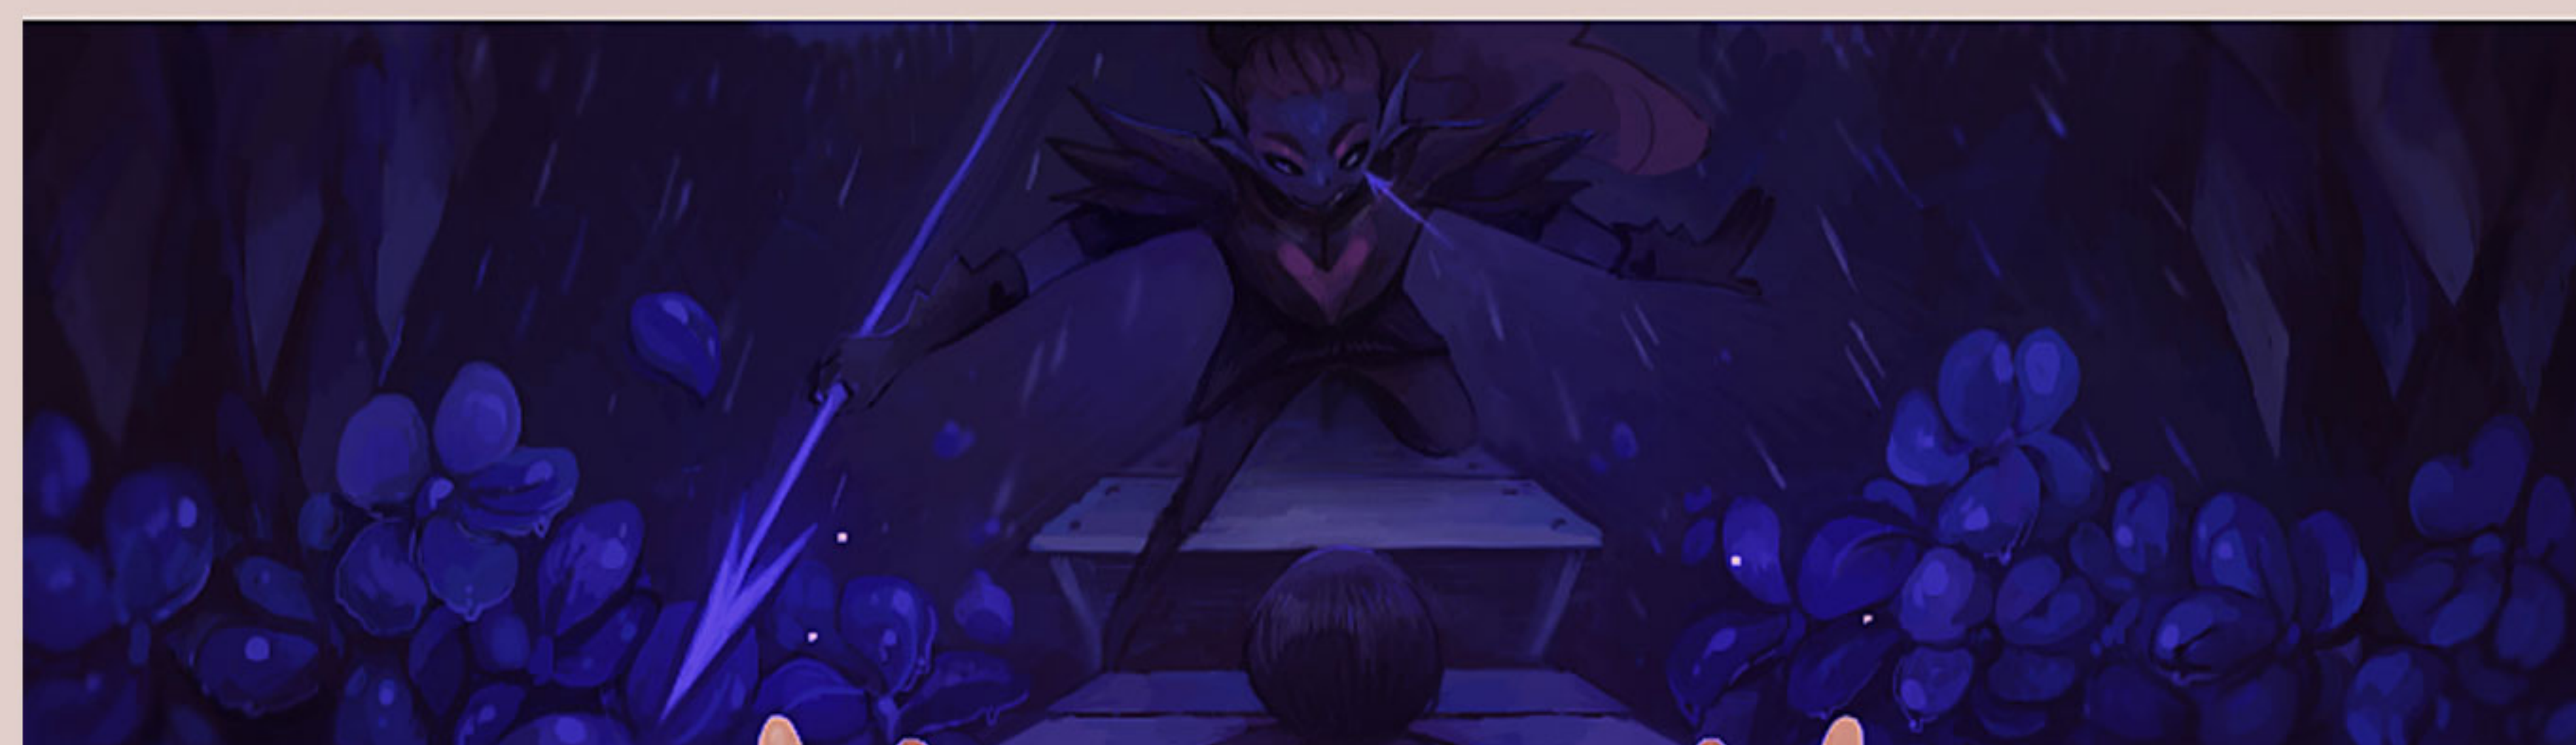

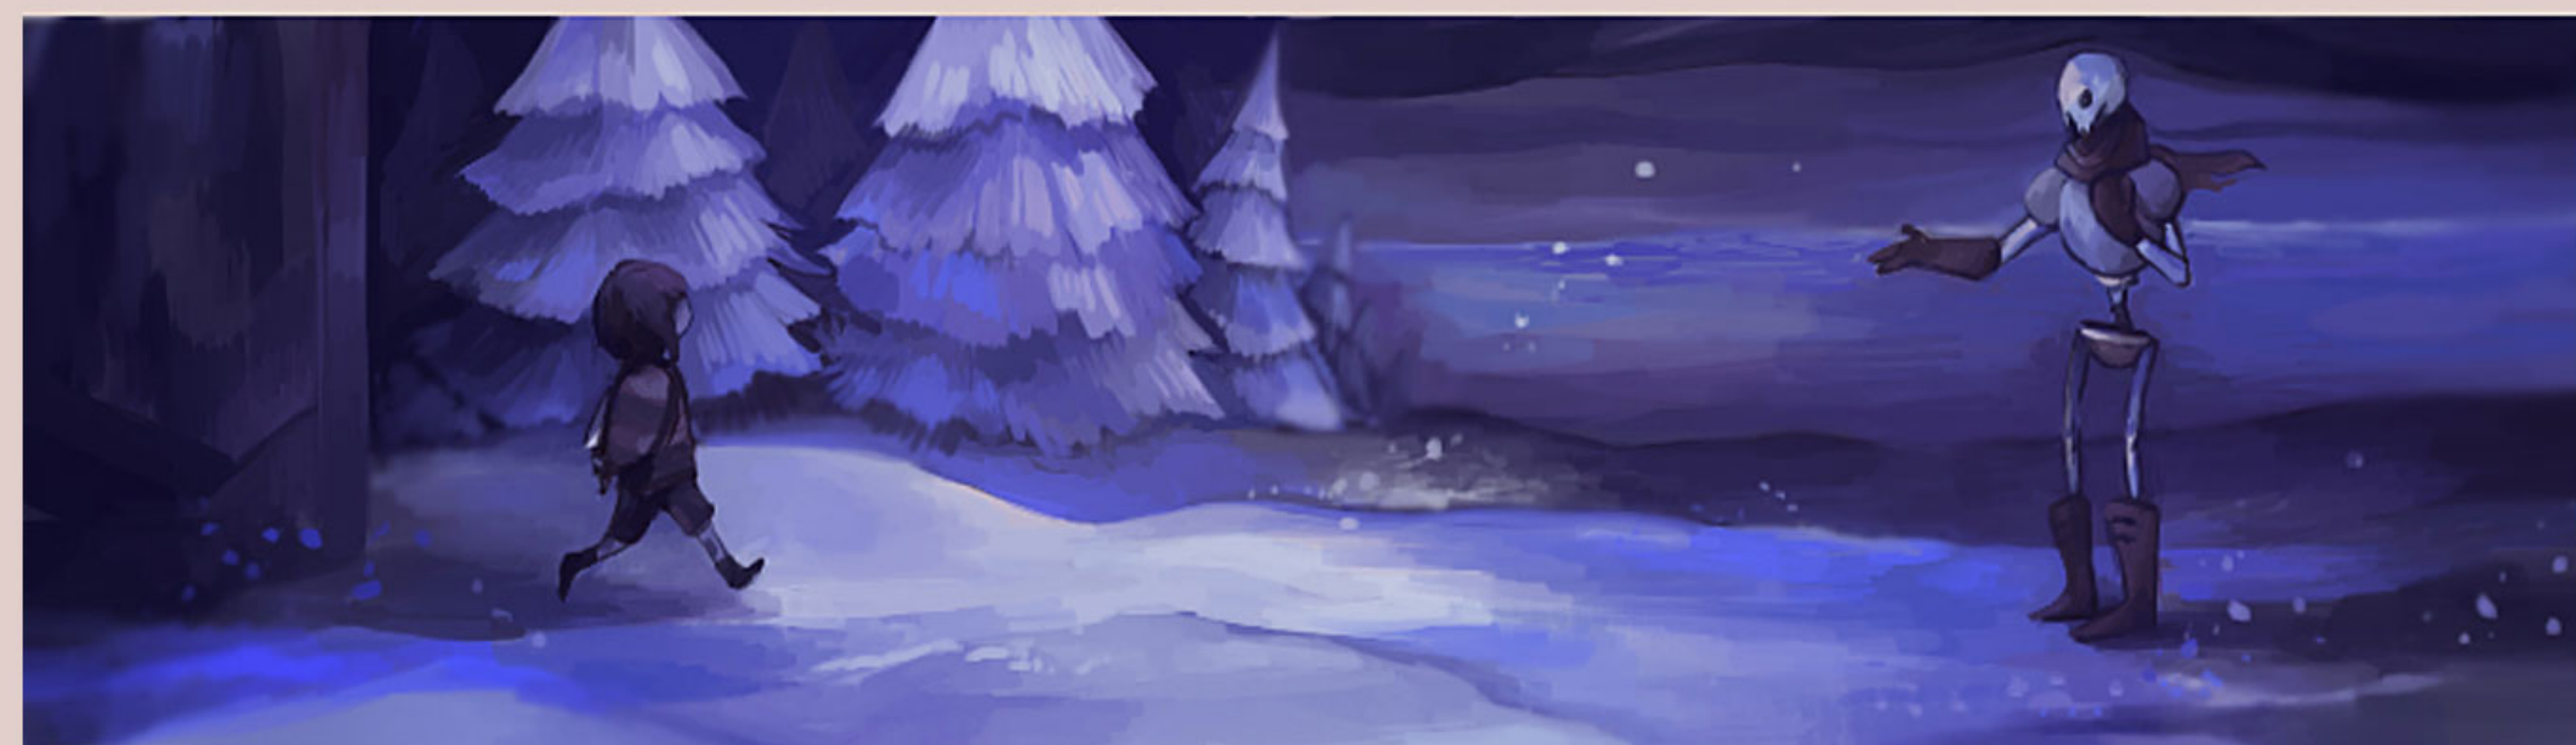

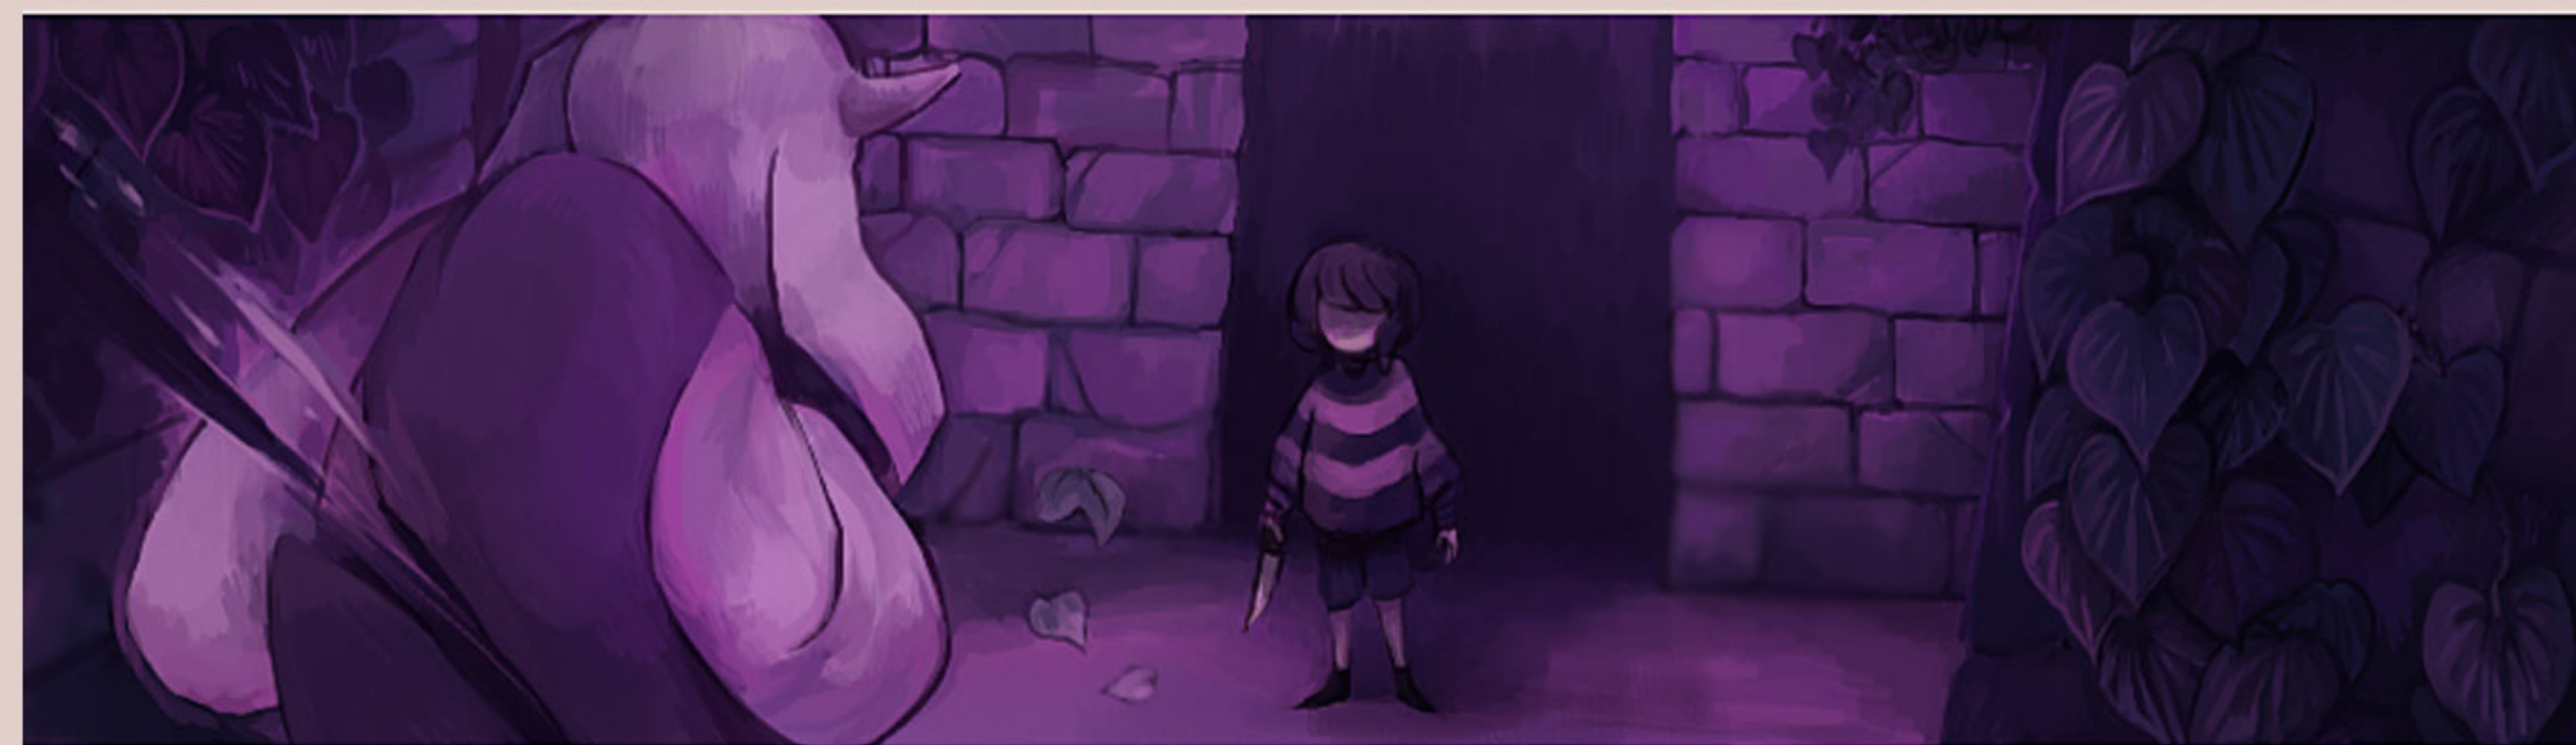

The biggest reason why I was holding onto this world for so long despite my sins, GONE in an instant.

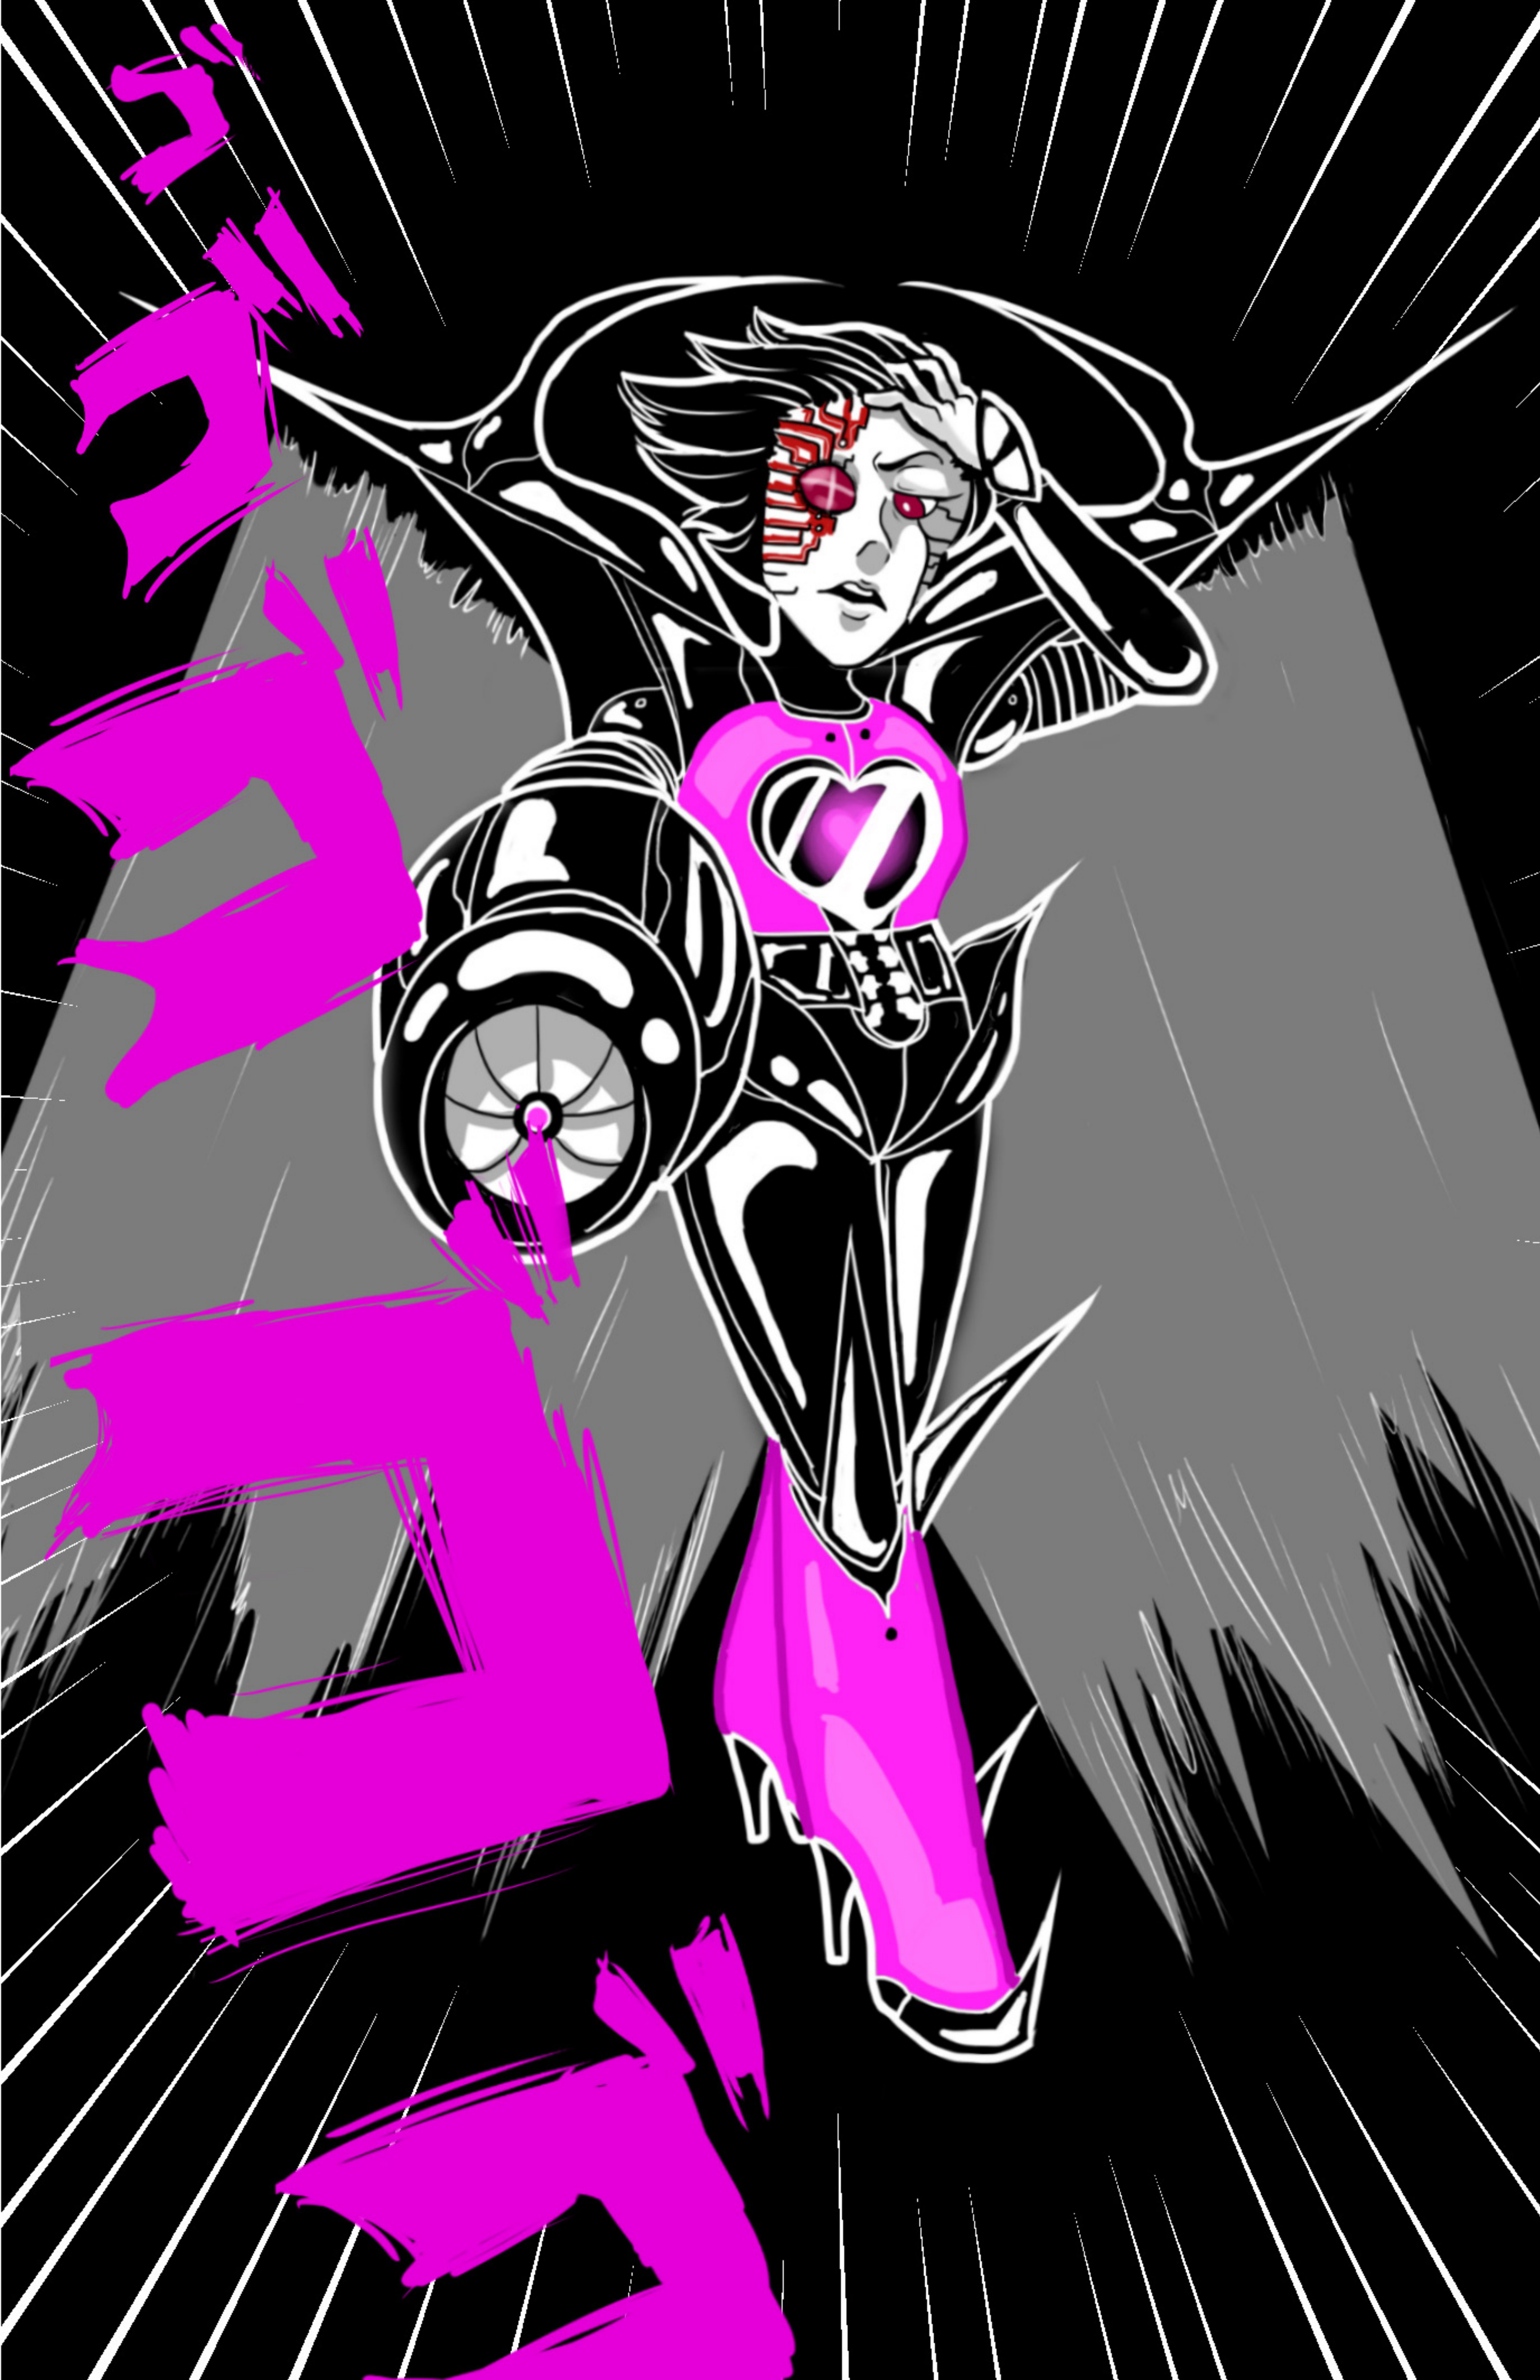

Ridiculous, is it not?
And to ever think I would be able to...

...not hurt another being anymore.

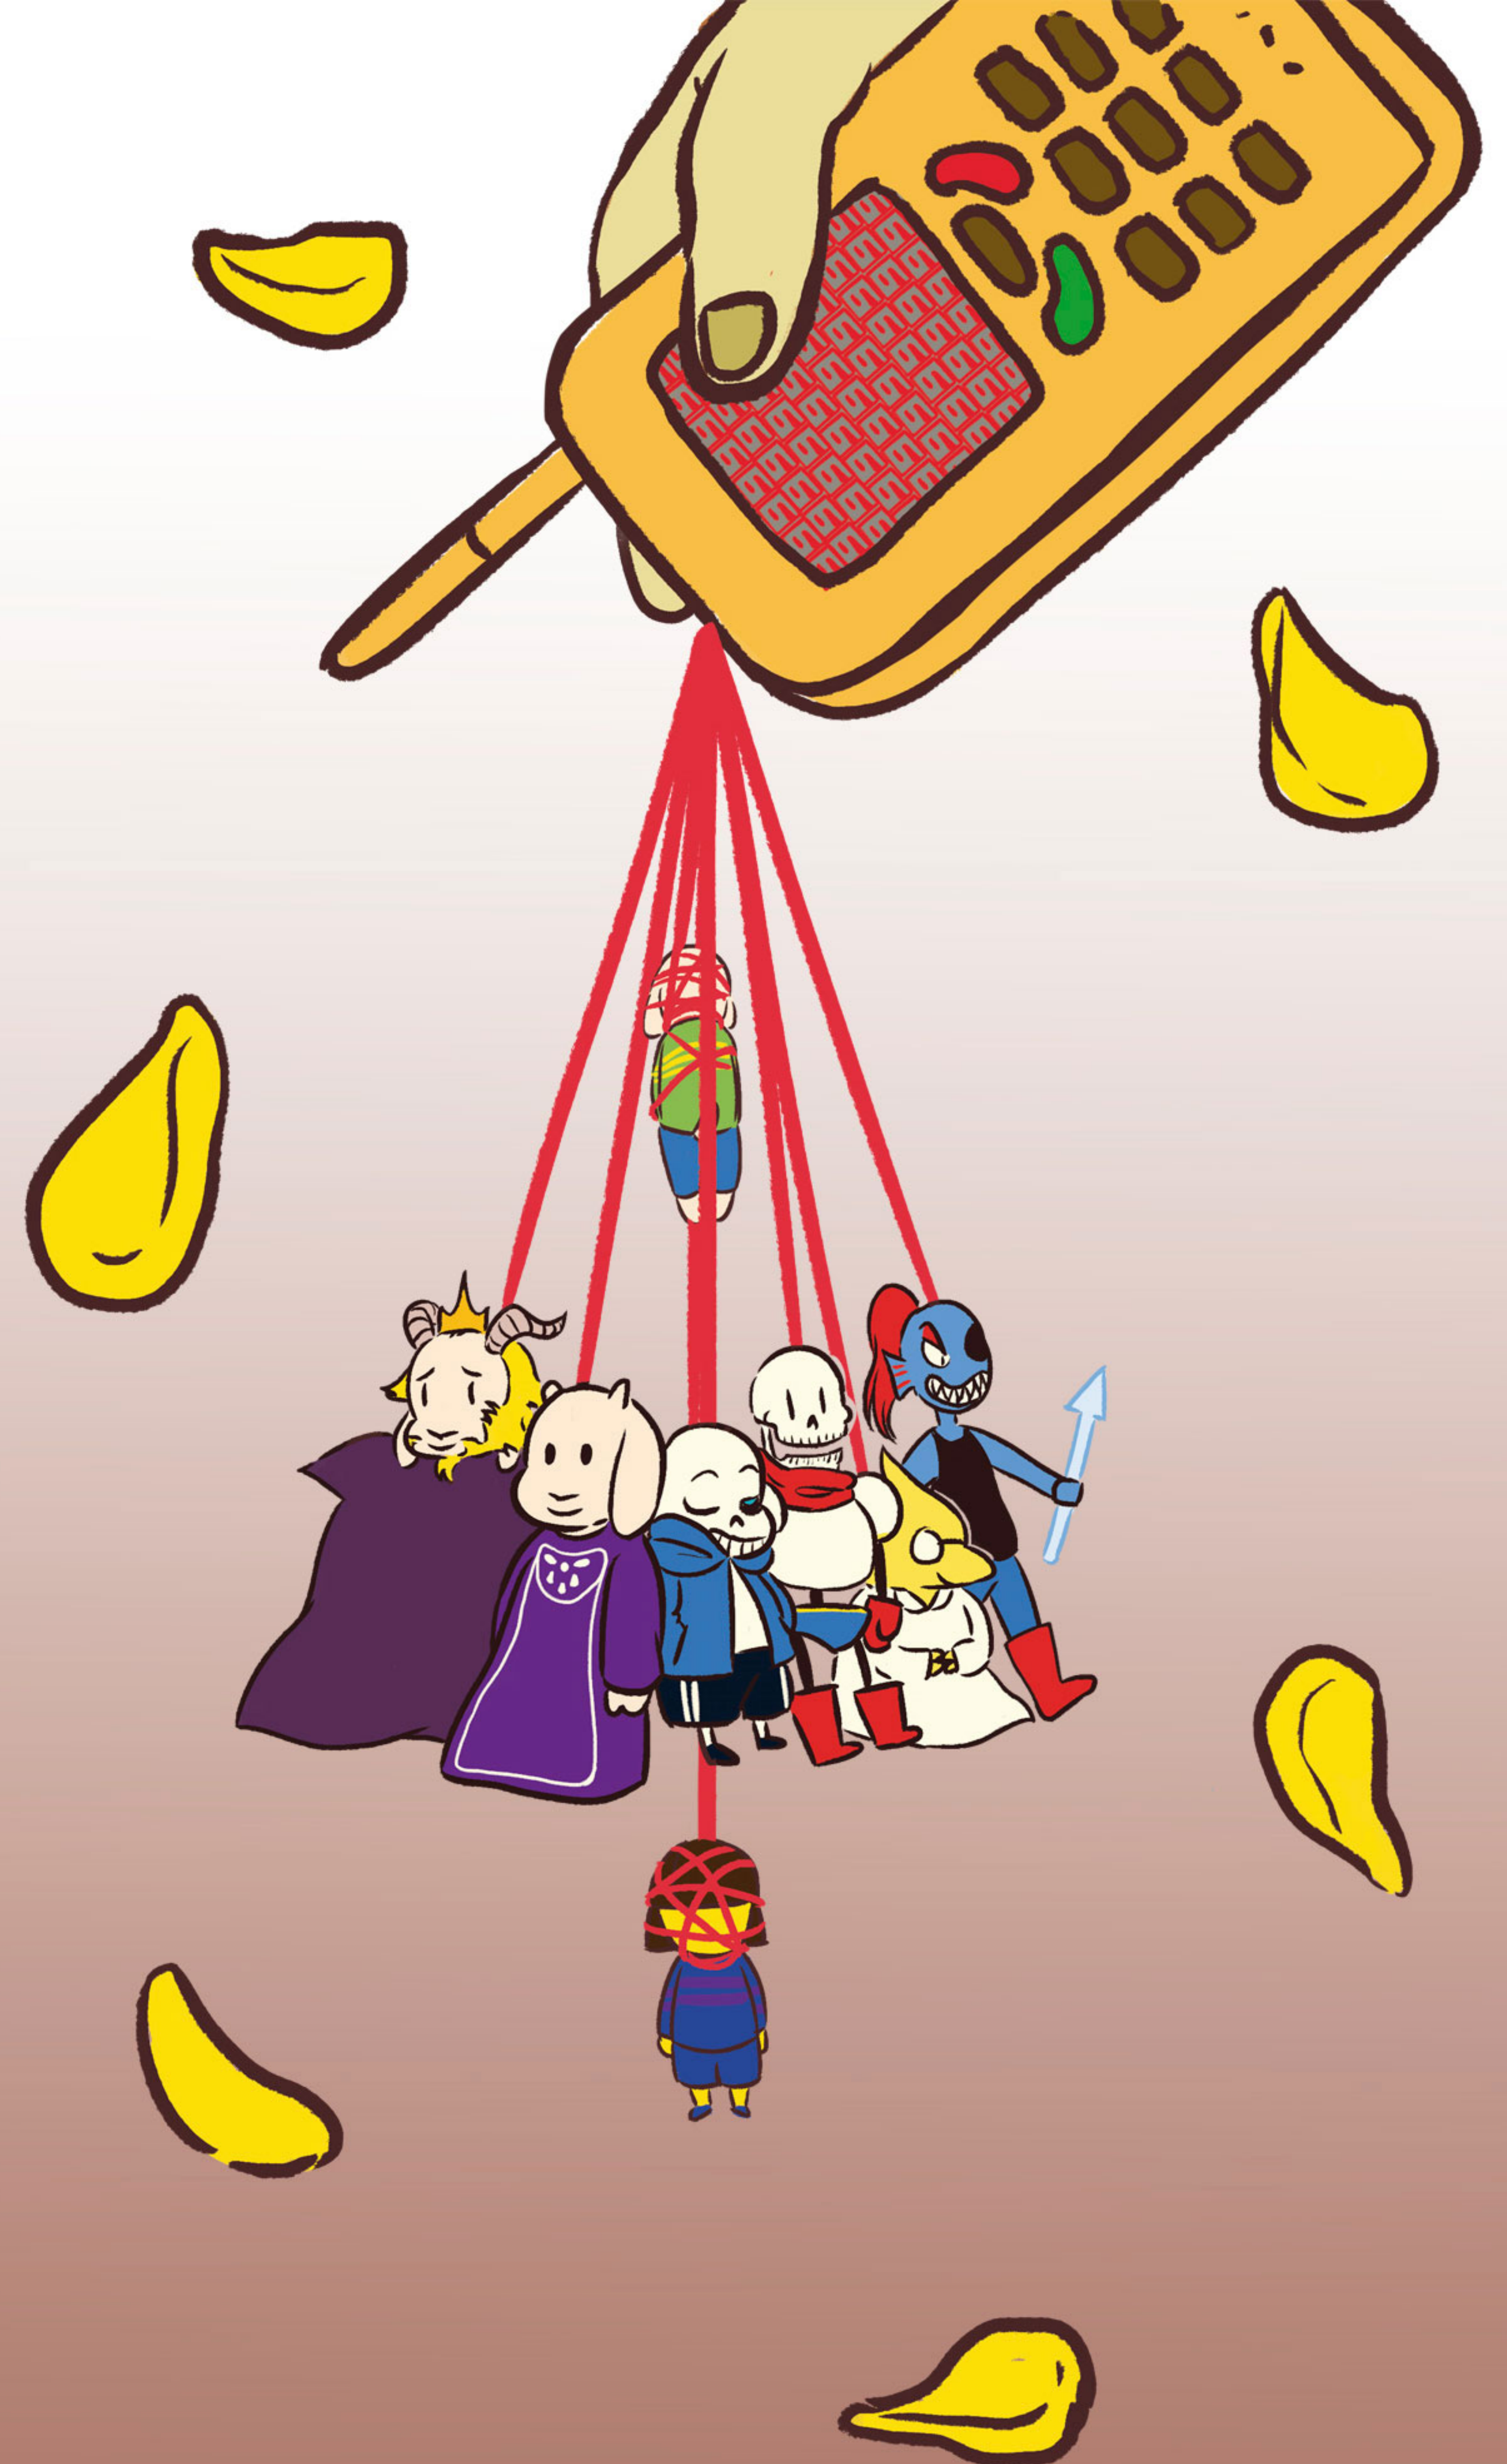

Did you really expect a happy ending out of this?

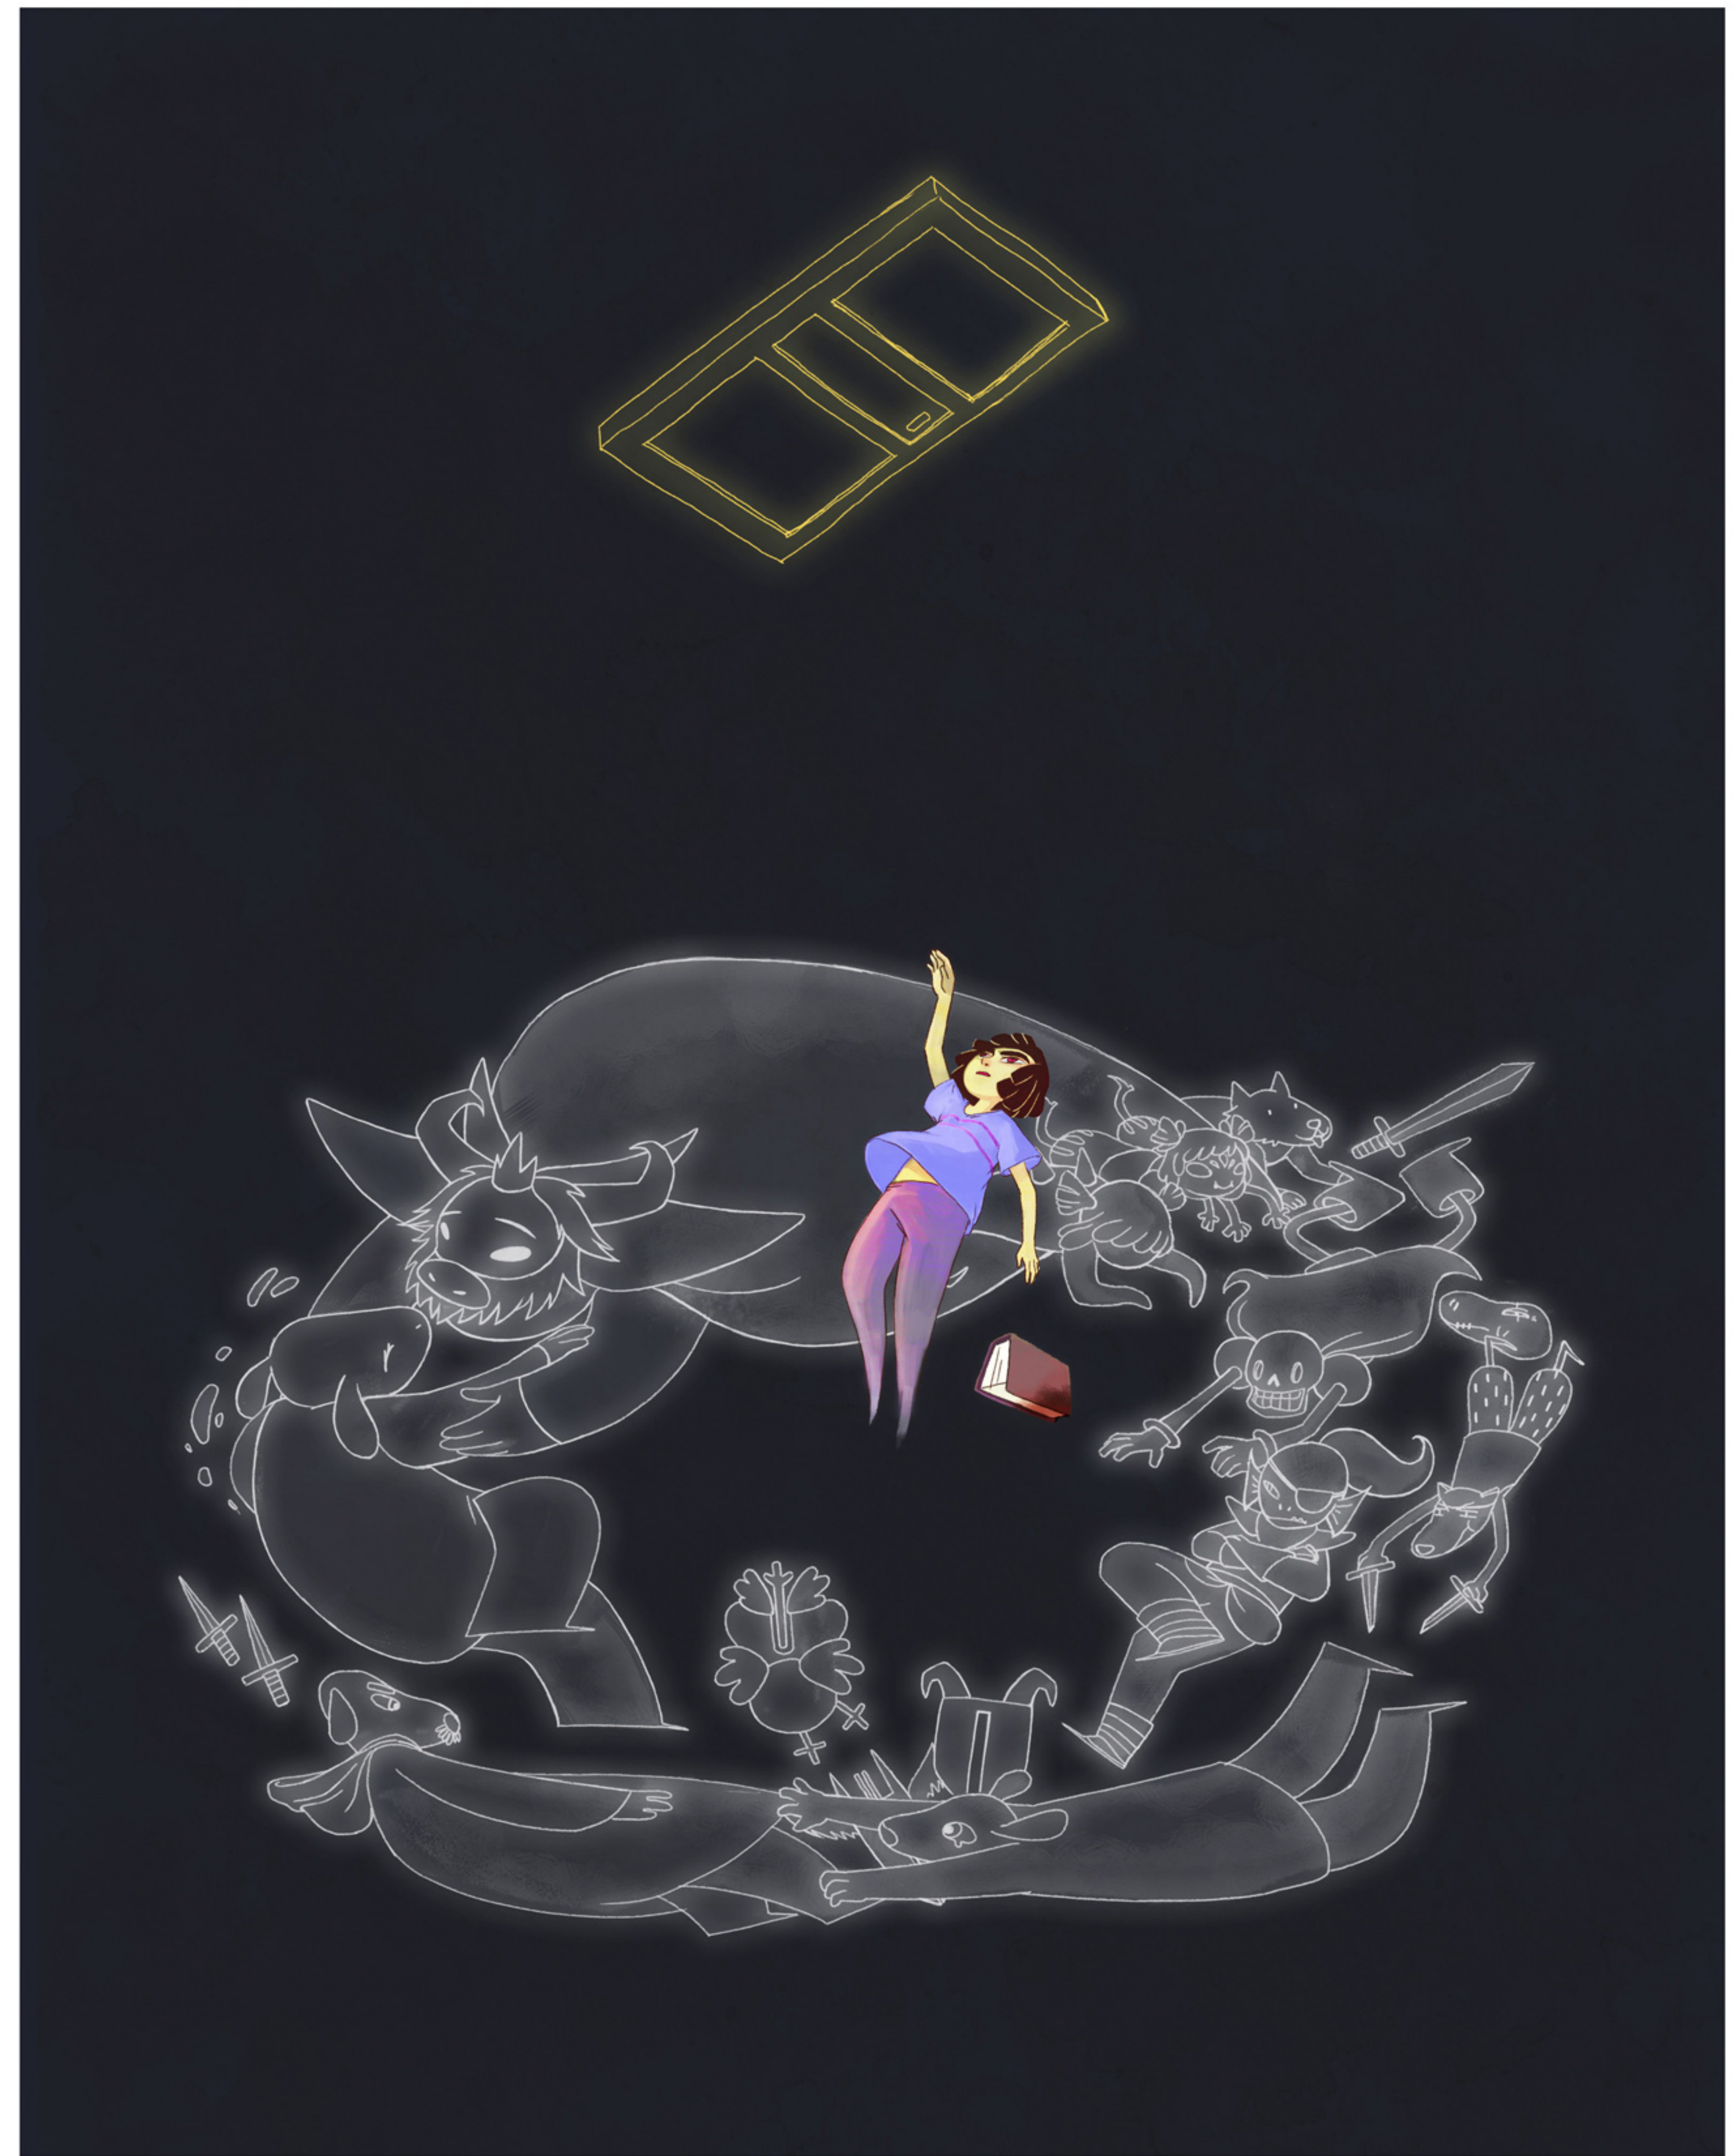

* The heroine appears

* But nobody came.

SMILING-STONE 2016

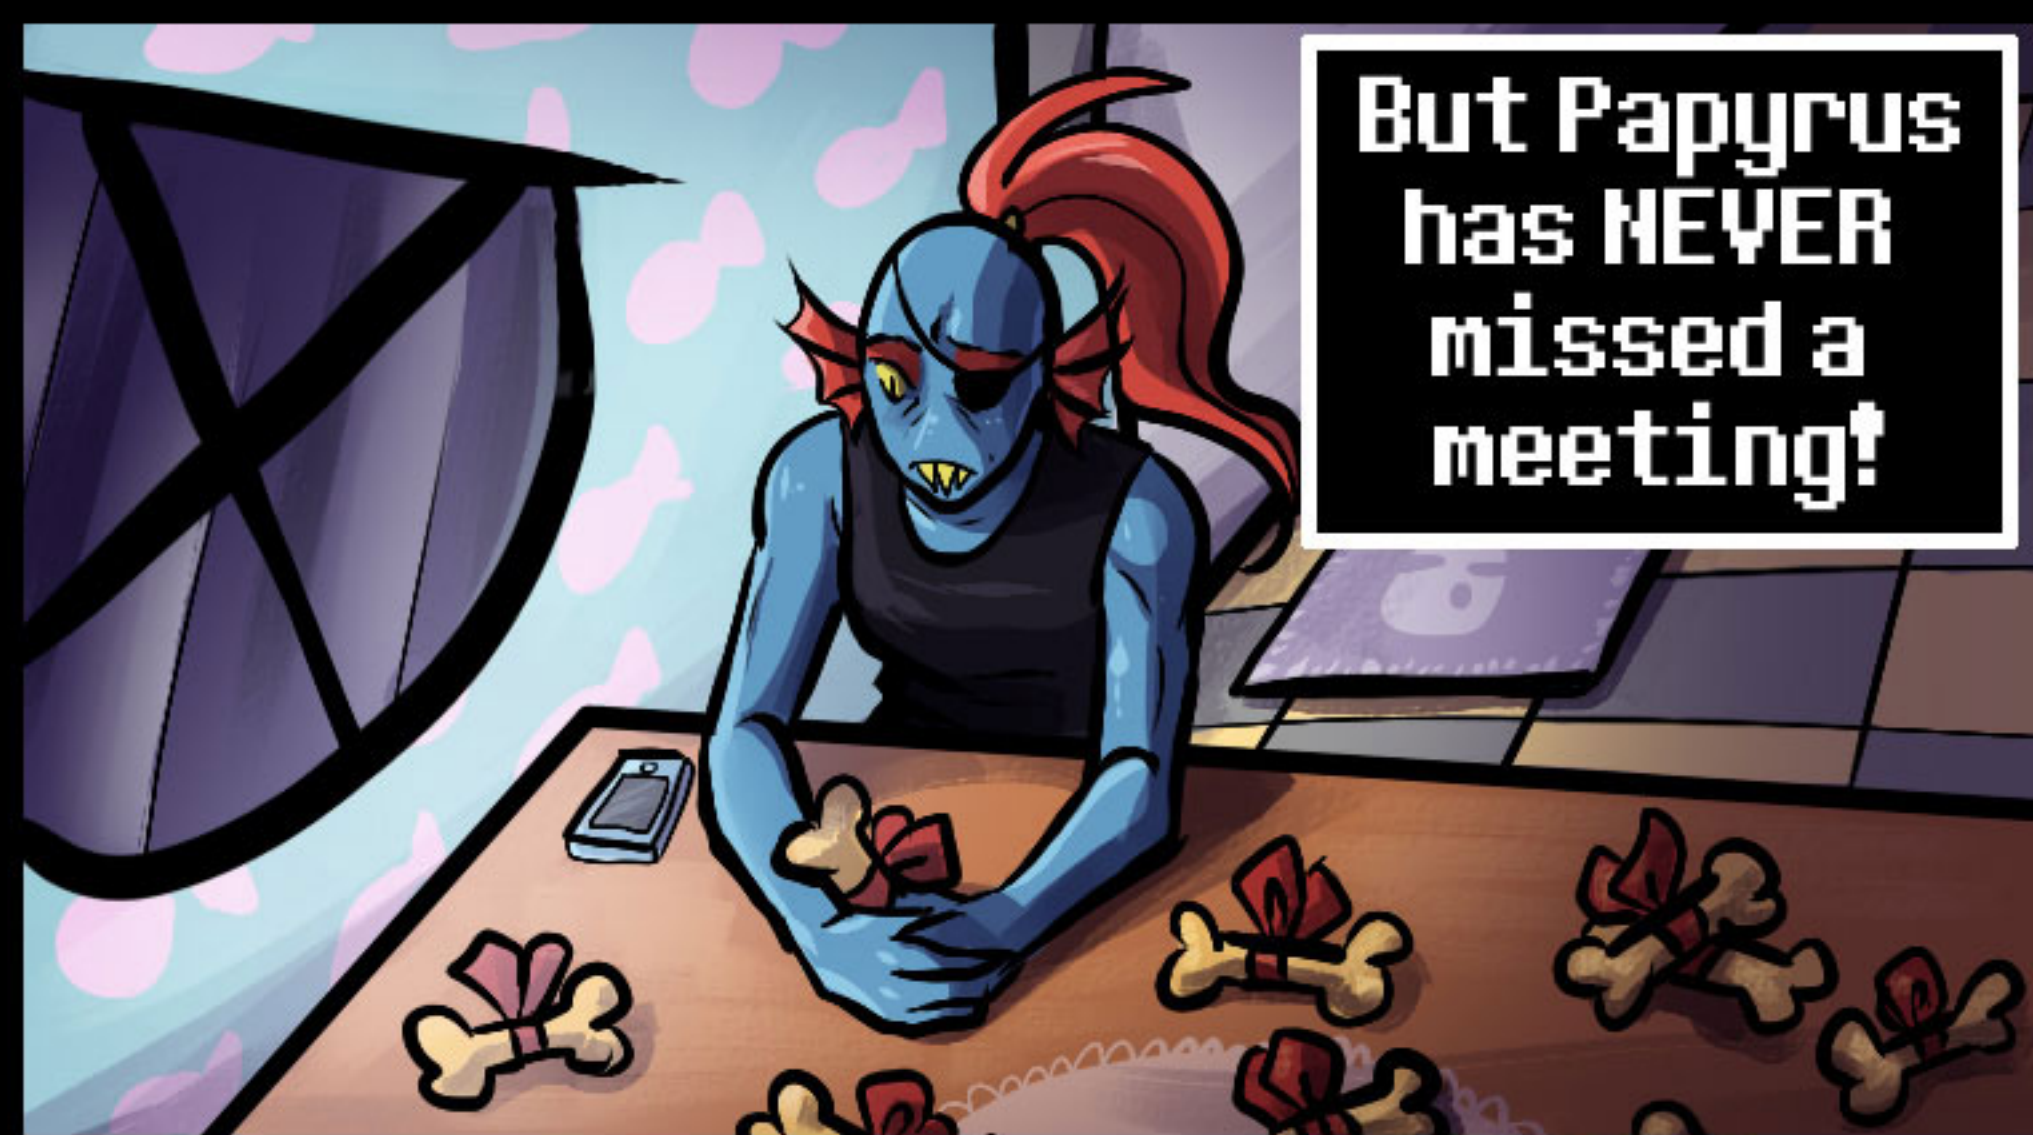

Look...

Papyrus didn't come to his meeting today.

Say what you want about him.

He's weird. He's naive. He's self-absorbed.

But Papyrus has NEVER missed a meeting!

And no matter what time you call him on the phone...

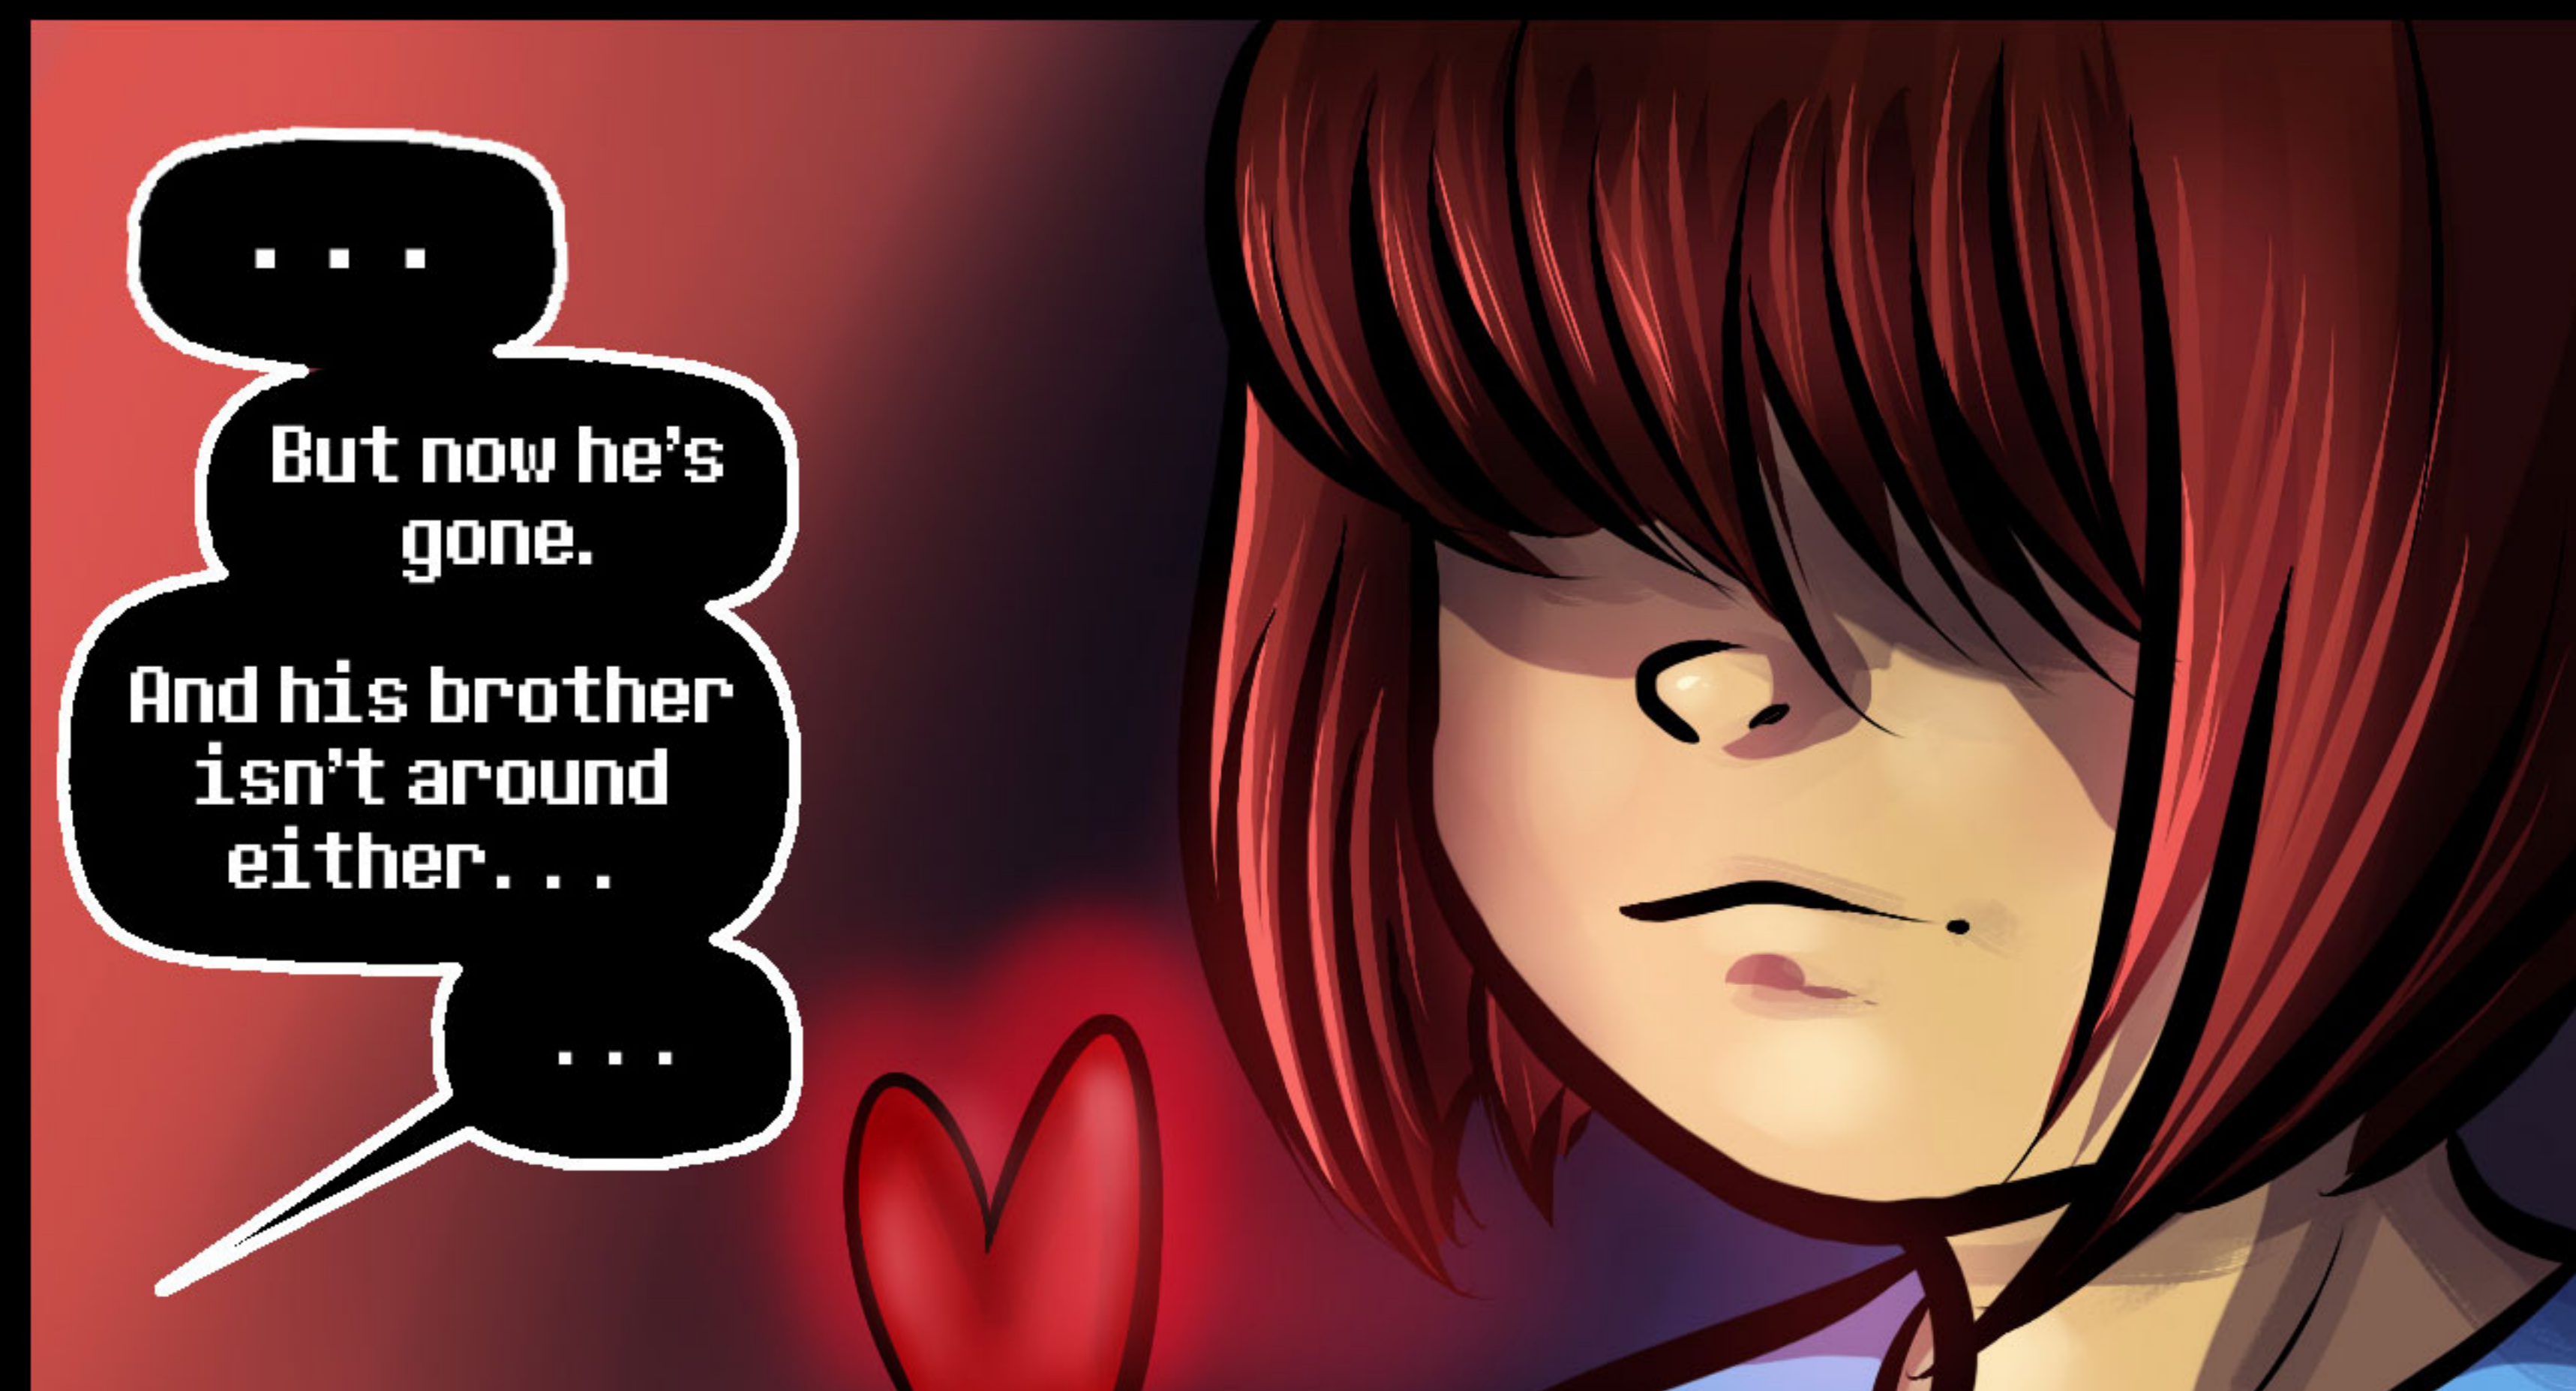

Night,

day,

afternoon,

morning...

He ALWAYS answers within the first two rings.

...

But now he's gone.

And his brother isn't around either...

...

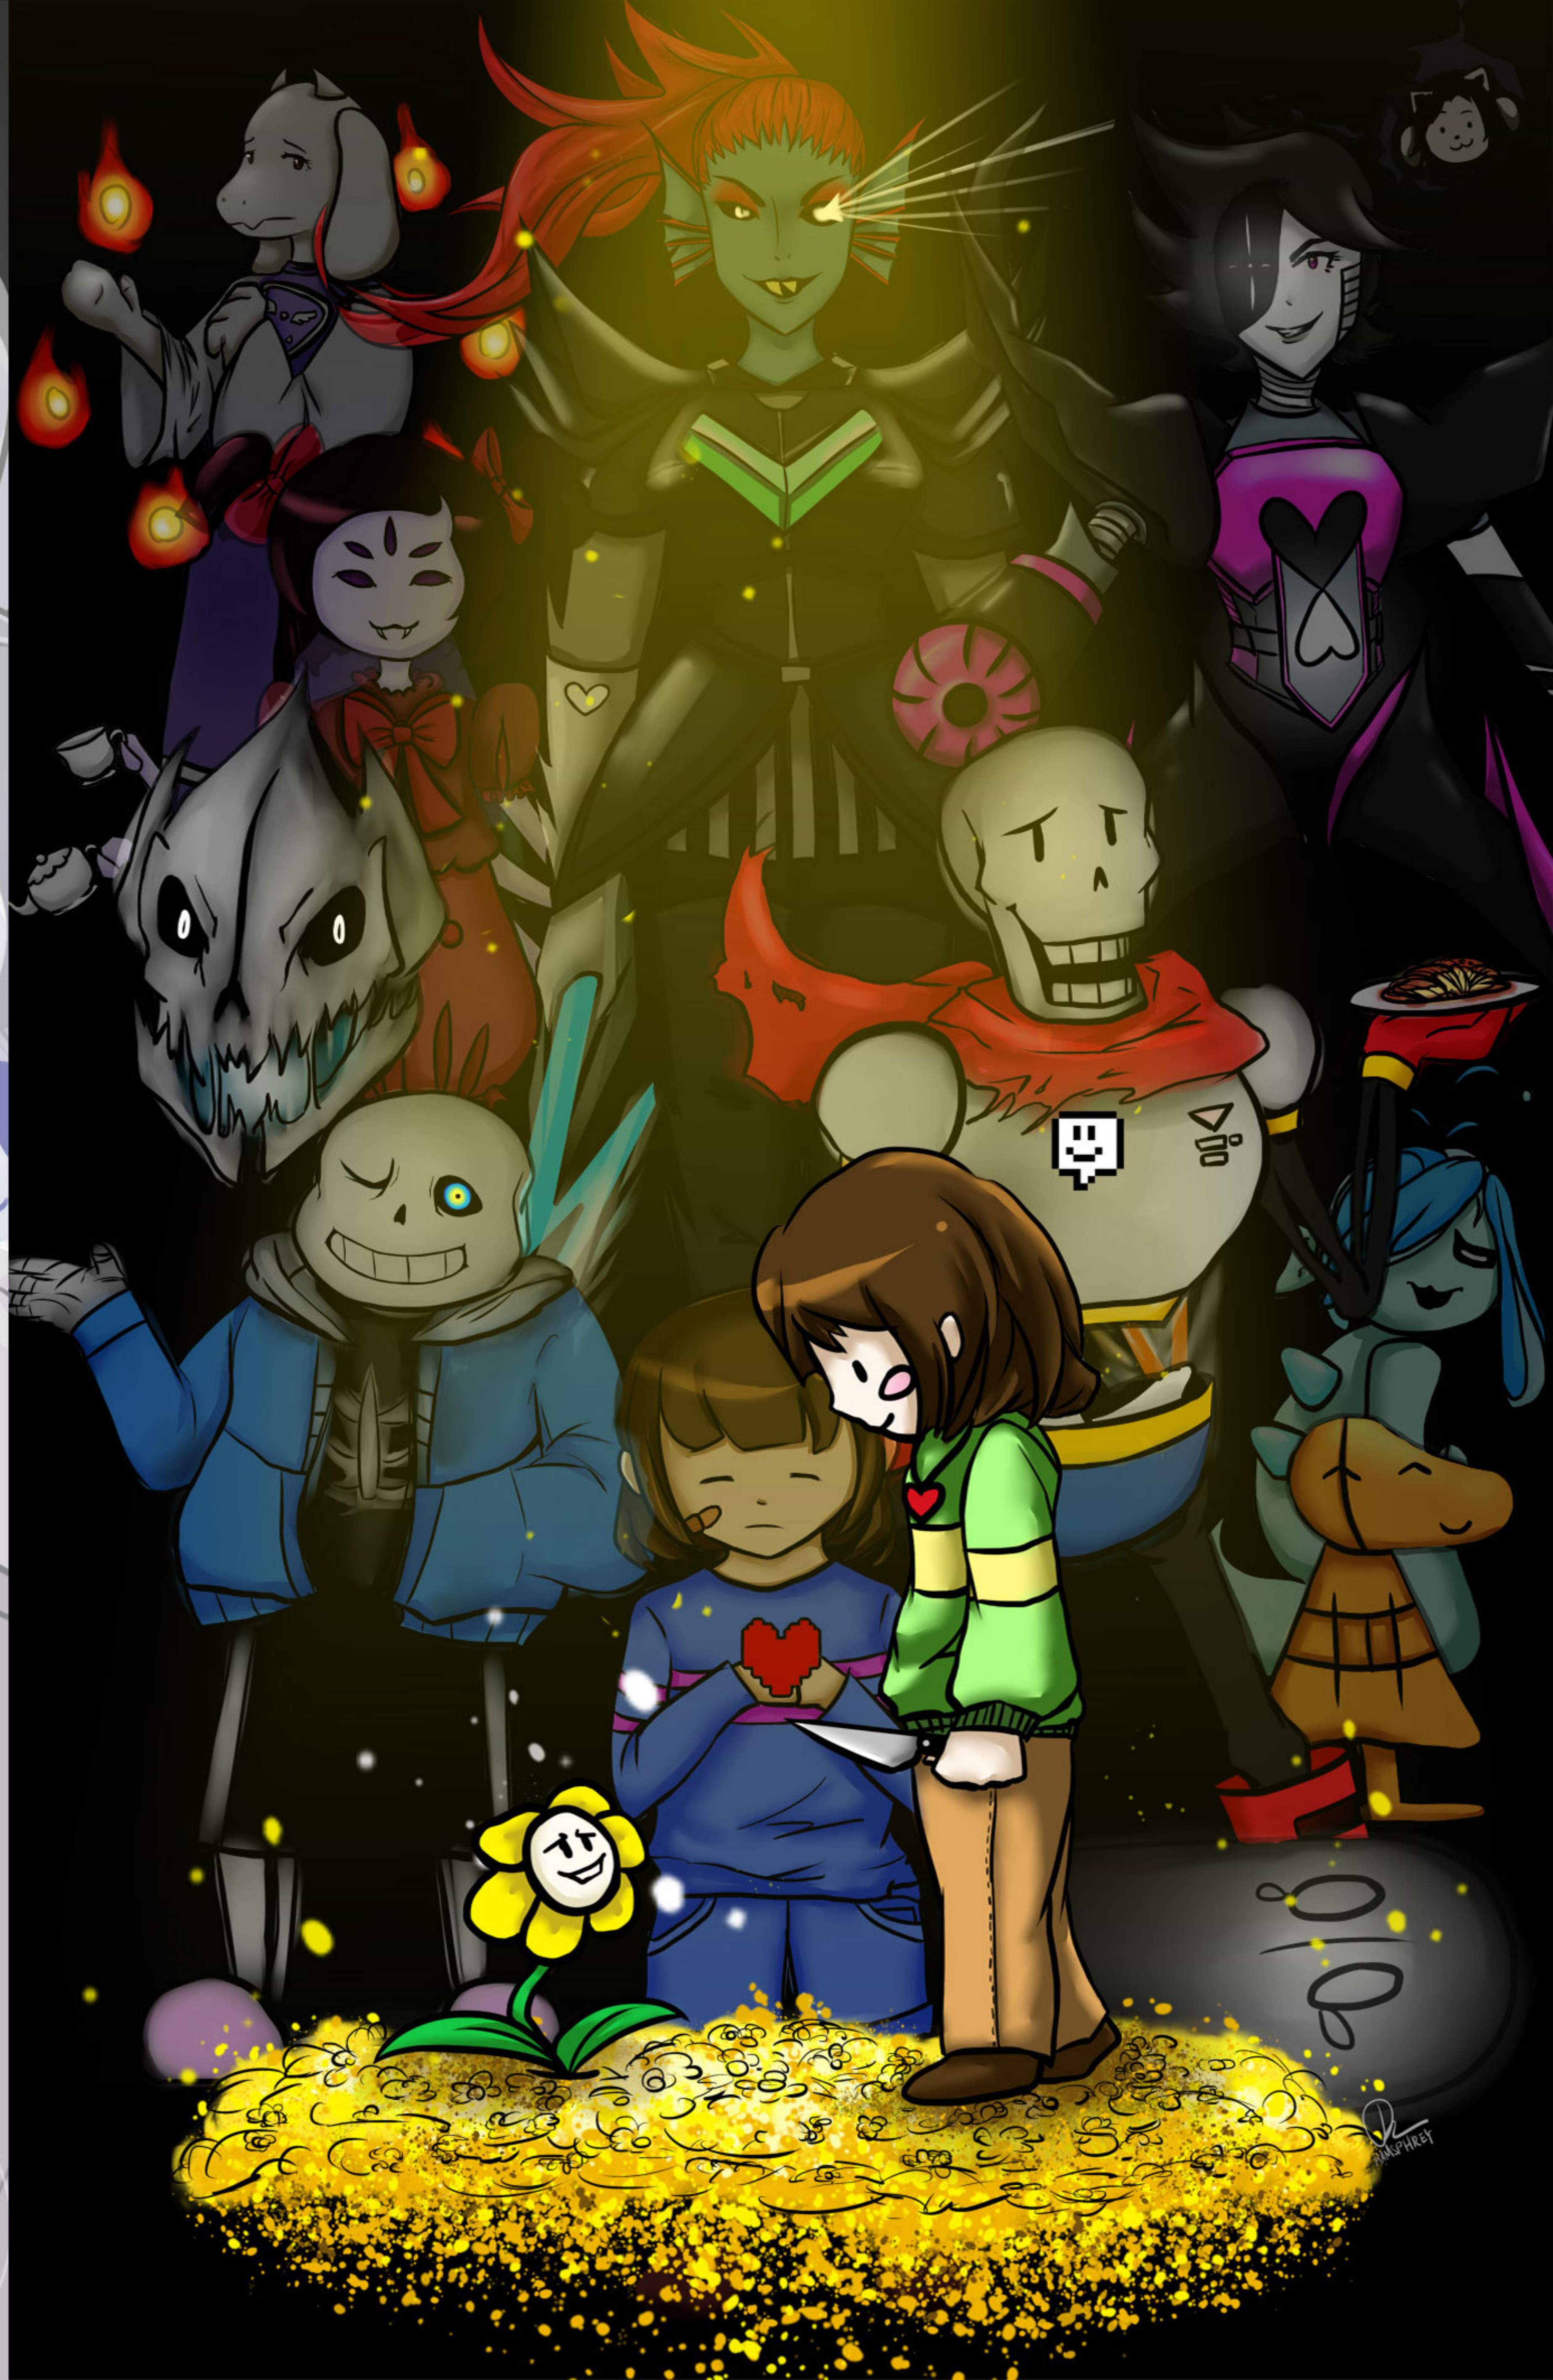

What did you do to him?

KLT2016

What did you DO TO HIM?!

I want to take this time to say thank you.

Thanks to everyone who worked so hard to make this project possible. Thanks to all the awesome artists who participated.

Thanks to Harry Wakamatsu, creator of “Monster Friend” and “Determination”, the wonderful mock Undertale fonts I’ve used countless times putting this zine together. Thanks to Toby Fox for MAKING Undertale in the first place. And thanks so much to you guys, the Undertale fandom. The viewers and readers that supported this project in the first place. You guys are awesome and we couldn’t have done it without you.
